PROTEIN TUBS

Hi Pro Protein tubs are a free choice supplement designed for beef cattle on forage diets providing less than 8% protein. The low moisture, cooked molasses products are in a non-returnable plastic container that will enhance intake and utilization of available forages, while reducing labor for producers.

Products: Hi-Pro 25% Tub w/ 5% Fat | Hi-Pro 38% Hi-Energy Tub w/ 12% Fat
Both available in plastic or bio tub.

Sedation Dentistry Calms Fears...

Take a *pill* and *snooze* through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

Drs. Mori & Teri White practice cosmetic, implant and family dentistry at 2802 8th Street, Woodward, OK 73801.

Telephone (580) 256-4301.

Understanding What We Read

TRUE LOVE

The Perils of Love. Are you shocked at love having perils, anger and rejection? Jesus stated, "O Jerusalem... thou that killeth the prophets, and stonest them that are sent unto thee..." (Math 23:37). Here plainly is shown the perils of love. God's servants and prophets are rejected and hated men of God. If you had been present in the days of these men they would tell you and affirm that they loved one another dearly. Then let us examine this love. Love and hate is clearly demonstrated. Who held hate and who held love? One class had love no mistake, they loved what they were doing with a whole heart and mind of dedication. While when confronted with the prophets of God they stood up in wrath and hatred. The distinction was clear, one had love of God while the opposers held the love of man or the natural mind set. Here is the nature of God's own: "THOU SHALT LOVE THE LORD THY GOD WITH ALL THINE HEART, AND WITH ALL THY SOUL, AND WITH ALL THY MIGHT" (Deut 6:5). The prophet of God loved Him in just this sincerity. That defense of God, and his disdain of other Gods was the calling of God's servants under both the Old and New covenants. HEAR WHAT MUST BE DEFENDED. "HEAR O ISRAEL, THE LORD OUR GOD IS ONE LORD" When Israel drifted into service of other gods, the prophets were sent to warn, but THEY MET VIGOROUS OPPOSITION, SEVERE ENOUGH TO CAUSE THEIR STONING AND DEATH. These faithful men of God jeopardized their lives due to their love of God and truth. When so-called believers are confronted today with their error of holding to more than one true God and that immortality is the gift of God to his own faithful. Immediately resistance is cried, pulpits closed, and false accusations abound against the true witnesses. Where do you stand? The truth will set you free. (By H.L. Davis, deceased)

By Paragon News Director Jared Atha

Elk City Now Able to Deliver COVID-19 Vaccine

March 10, 2021 - Soon home bound Elk City residents who qualify for the COVID-19 vaccine will have the shots brought to them.

According to Elk City, City Manager Tom Ivester, personnel with the Elk City Fire Department and Elk City EMS are now qualified to take the vaccine into homes of those who may be unable to get themselves to a point of distribution clinic.

"Our EMS service is one of the first in the state to be authorized to do this. We went through the process of getting certified and authorized to give the vaccine ourselves. We're not relying on any outside agency we're not relying on the state department of health. We're doing in conjunction with them, but we can get it, store the vaccine ourselves and give it at your own discretion to our folks."

Ivester stresses that the vaccine is not mandatory for any citizen in Elk City.

Assistant Chief Medical Officer Kyle Chervenka says anyone wanting the vaccine but can't leave their home, to call the city to set up an appointment.

"We have a phone number set up with the city. So they just have to call 225-3231 and leave a message. If we're not in the office, we will get that scheduled with them."

Oklahoma's full Phase 3 portion of its vaccination roll out plan went into affect on March 9.

Oklahoma State Department of Health Deputy Commissioner Keith Reed said people in Phase 3 of the state's COVID-19 vaccine distribution plan will be able sign up to get a vaccine dose. This includes the expanded education group and the essential worker group.

The OSDH had previously announced that anyone in Phase 1 and Phase 2 can get a COVID-19 vaccine dose. The expansion that went into affect on Tuesday added the remaining group in Phase 2, which includes Oklahomans in congregate care or work locations, city, county and state leaders or public officials and public health staff supporting the front lines.

Phase 3 includes an estimated 2.5 million Oklahomans, including teachers, students age 18 and older, residents and administrative staff in educational settings outside PreK-12, including but not limited to: Child care facilities, early childhood facilities, colleges, universities, career/vocational technology centers, and other post-secondary institutions, and critical infrastructure personnel - essential business/industry personnel - as specified in the Governor's 3rd executive order.

Walkaway Fugitive Apprehended in Beckham County

March 15, 2021 - An inmate who walked away from the minimum security unit at Lexington Correctional Center in Lexington, was apprehended and is now back in state custody.

31-year-old Inmate Matthew Perry was taken into custody Friday evening around 7:00 p.m. in Sayre by the Beckham County Sheriff's Office, Sayre Police Department, the Oklahoma Highway Patrol and agents of the Oklahoma Department of Corrections Office of Inspector General.

Perry was taken into custody without incident.

Lexington Correctional Center staff discovered Perry's absence during a routine headcount conducted on Sunday, March 7. After a recount failed to locate Perry, staff promptly initiated walkaway procedures and the Oklahoma Department of Corrections Fugitive Apprehension Unit immediately began a coordinated, multi-agency search for Perry.

Perry is serving a 20-year sentence on multiple convictions, including Forgery and Possession of a Controlled Dangerous Substance with Intent to Distribute.

Additional charges for Perry are pending.

Member Services Cashier

Job Description: Northfork Electric Cooperative is looking for an upbeat individual to serve as the face of our cooperative in this full-time position.

About Us: We are a member-owned not for profit cooperative that provides rural electricity in West Central Oklahoma.

About the Role: As the first person members engage with when entering the cooperative, you will be responsible for greeting both in person and via telephone to ensure all members and visitors are dealt with in a professional and timely manner. Among the responsibilities of the role are:

- Process payments
- Maintain and daily reconcile the cash drawer
- Assist members with inquiries about electric usage, bills, or other questions
- Process service order requests

About You: The ideal candidate will have the following skills and experience:

- Minimum High School Diploma or Equivalent
- General Office and Cashier Experience
- Caring Attitude
- Detail Oriented
- Excellent Communication Skills
- Knowledge of core computer programs and an aptitude for working with new systems & software

If this sounds like a fit for you, please send your resume to tawny@nfecoop.com or fill out an application at our Sayre office at 18920 E 1170 RD. Applications are also available online at www.nfecoop.com under employment opportunities. Posting closes March 31, 2021.

NFEC is an equal opportunity provider and employer.

Farm & Ranch

Honesty is the best policy

Jerry Nine
Woodward
Livestock
Auction
Woodward, OK

extremely nice cattle. Some cattlemen like to throw that word of northern cattle around like they are far better than ours, I would like to debate that on a lot of our better cattle.

Some of my friends and buyers give me a hard time saying I am wound too tight about making sure we run a speedy auction and keep it going. But I bought cattle out of auctions from a very young age and full time for 20 years. And during that time

I realized how important it is to keep the sale going without stops. Anytime you stop and start a lot of buyers lose interest and then are not paying attention sometimes until the cattle are sold.

I am very picky who auctioneers for me. They have to be 100% honest and never show favoritism by selling out quick to their buddies. I want an auctioneer who is fast. I stay in the ring from start to finish never leaving the ring to make sure we get full value for

the cattle. I put a price on cattle risking a lot of my money to put a floor the cattle, plus enabling us to run a speedy auction.

I have too many full-time employees in order to have enough sale day to run a speedy auction plus take care of the cattle. An honest auction that is working for buyers and sellers I don't think there is a better way to buy and sell cattle.

Last Thursday evening we got a nice rain, which surprised me, but very welcomed.

I know sometimes my sense of humor is a little ornery but life is too short to be a stick in the mud. Last week we were reminded that after the cold week of weather that we all better check our bulls to see if they are still fertile so to put it bluntly their balls may have frozen.

So at the breakfast table last week with several ranchers, I reminded them they better check their bulls. And then to one rancher that is built pretty close to the ground, I said,

"Frank, I am worried about you too with you being so short."

A friend of mine stopped at the sale and I said, "I would invite you to go eat but I know you are busy today." He said, "No, I'm not busy

I can go." I said, "Oh, I just heard someone say that you were out to lunch."

Editor's note: Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Sapulpa, Oklahoma.

Well, on Friday I saw that it was one of my secretaries' birthday so being the nice boss I am I told her to take the day off that is on Sunday.

We had a very good sale Thursday with 95% of our sale being

Woodward Livestock Auction Report

THURSDAY, MARCH 12, 2021

Receipts: 7,144 Last Reported: 7,765 Last Year: 4,112

Compared to last week: Feeder steers and steer calves steady. Feeder heifers 1.00-3.00 higher. Heifer calves 3.00-5.00 lower. Demand moderate to good. Quality average to attractive. Supply included: 100% Feeder Cattle (61% Steers, 38% Heifers, 1% Bulls). Feeder cattle supply over 600 lbs was 78%.

AUCTION CALENDAR

LAND AUCTION

WED., MARCH 24, 2021 AT 10:00 A.M.

Vici Community Center, 604 N Main, Vici, OK
 Land Location: Highway 34 & 60 East of Vici travel 3 miles East on Highway 60 and 1.25 miles South on CR 212 to NW corner of property.

The 2018 Rhea Fire resulted in many improvements on this 320 acres of Dewey County grassland. Live spring, small pond, two water wells, native and improved grasses, and good draws for wildlife cover.

This is a highly productive section with excellent fences, abundant water, and located 1 ¼ miles off the highway. The land has some excellent home sites, great hunting, and great grazing!

Seller: Raymond L. & Pearl L. White Revocable Trust

ANY ANNOUNCEMENTS MADE DAY OF SALE SUPERSEDE ALL PREVIOUS WRITTEN OR ORAL STATEMENTS.

Our Genetics Work – We Have Proof!

By using the same genetics in both our commercial and registered herds, we can gather data and track our cattle through the feedlot. If our genetics aren't profitable on the range, in drought conditions, in the feedlot or on the rail, we are the first to know.

We value the importance of low inputs with high efficiency, added pounds through genetic merit, and honest females that make it happen year after year.
