Altosid IGR Mineral Tub

It's a fact! The constant biting of horn flies inflicts excessive stress on cattle. Fly counts can reach up to 2000 flies per animal, taking up to a gallon of blood in a 135-day fly season. Control horn flies all season with Altosid IGR Wind & Rain Mineral Tubs and you will see a difference in your heard. Begin putting Altosid IGR out in the spring. Continue feeding Altosid IGR throughout the summer until 30 days after the first frost to help prevent horn flies.

WIND AND RAIN® STORM® FLY CONTROL MINERAL CONTAINS ALTOSID®

ALTOSID® IGR SOLUTION
Altosid is ingested with cattle's mineral or feed. As they graze, cattle disperse IGR via their manure.

Adult horn flies live 2 to 4 weeks, taking 20 to 30 blood meals per day.

In 1 to 2 days, eggs hatch into larvae. After 3 to 5 days, the larvae molt into pupae.

Altosid breaks the life cycle here, preventing pupae from molting into adults.

Female flies leave the animal for a few seconds to lay eggs in fresh manure less than five minutes old.

Also available in sacks!

Selling old cows has benefited some producers

Jerry Nine
Woodward
Livestock
Auction
Woodward, OK

Recently our killing cows started our normal trend as it normally does this time of year when most producers wean their calves and sell their old cows.

But surprisingly our killing cows were a little better this past week. I tried to promote to ranchers to sell their old cows a few weeks ago and

and killing them to get the blood of that unborn calf.

For years they have used that in cancer research but I am told one packer sends that blood overseas. They like it from an unborn calf because it is sterile. They spin that blood, I am told, then there are several layers of it and the top layer is very valuable while the lower layers are used for other things. With this in mind, killing several of these heavy bred cows before they calve makes quite a few less calves born. And over a big area it amounts to a lot less beef.

When grain was cheaper they would feed a lot of those 4- and 5-month bred cows until they were heavy bred but grain might be too high for them to do that now.

It's the time of year a lot of ranchers will start weaning calves. I have heard several say with the prices we have now they will not wean and right now that looks fairly appealing.

We have several calf sales lined up this fall in September, October and November. Call us and take a picture of them on your phone and we will put them on Facebook plus our television in our hallway to help advertise your cattle.

Did you know on the Canary Island there is not one canary? And on the Virgin Islands? Same thing—not one canary there either.

A bank robber walks up to one of the hostages and asks—did you see my face? The hostage replies, “Yes.” The robber shot the man in the head. He turns to the next man and asks, “Did you see my face?” “No,” he replied, “But my wife caught a glimpse.”

Why are the majority of cowboys avid gamblers? Because they always like raising the steaks.

Where does a cowboy do his cooking at? He generally cooks on the range.

Editor's note: Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Sapulpa, Oklahoma.

several seemed to take advantage of that. So it will be interesting to see if we dip as low as we normally do in September and October. One thing that takes a lot of beef off next year's market is the fact of some packers buying these heavy bred cows

Woodward Livestock Auction Report

THURSDAY, SEPT 2, 2021

Receipts: 2,939 Last Reported: 2,235 Last Year: 3,118

Compared to last week: Feeder steers and heifers mostly steady. Steer and heifer calves unevenly steady on a light test. Demand was moderate. Quality average. Supply included: 100% Feeder Cattle (70% Steers, 27% Heifers, 3% Bulls). Feeder cattle supply over 600 lbs was 78%.

(DWC) DEEP WATER CULTURE STYLE GROW

We pride ourselves on a quality hydroponic grow process which ensure proper nutrients to our plants.

QUALITY FLOWER, SHAKE & TRIM AVAILABLE

Why grow DWC? Faster growth - Plants grown in deep water culture intake more oxygen directly from the air than from the oxygen dissolved in water. DWC allows the roots to absorb large quantities of oxygen also allowing the intake of balanced nutrients. This leads to accelerated growth throughout the plant's life, bringing quality medical cannabis to the patients quicker. In DWC, growers have control over nutrients, which means growers can fix nutrient problems quickly. DWC growers are also least likely to have their garden attacked by bugs or pests (though it's definitely still possible). Therefore, it reduces the need for pesticides, allowing us to keep your medicine clean and sticky!! We believe DWC is the best way to grow cannabis.

Understanding What We Read

(For students of the Bible)

What Does My Church Teach?

(continued study of whom God and Jesus are, Isaiah 44:8)
 "Fear ye not, neither be afraid: have not I told thee from that time and have declared it? Ye are even my witnesses. Is there a God beside me? Yea, there is no God; I know not any. Please note that God has said Is there a God beside me? Yea there is no God I know not any." When the Almighty said this, where was Jesus? He had not come into existence yet. Jesus did not come into being till God spoke the word into the womb of Mary. Ask yourself this question, am I being taught that God is only one being, and that there is no other one likened unto Him in all this world? I would ask you this question how important is this thing of eternal life to you and your loved ones? Is the life of your family and those you love and those around you so important that you share with them these wonderful truths? Just listen as I read the opening of Paul's letters, I invite you to read along with me ask yourself how many times Paul refers to the Holy Spirit. It would seem to me that if the Holy Spirit were a person that he would have made mention of him in the opening statements of each book. Just listen. Romans 1:1-4 Paul a servant of Jesus Christ, called to be an apostle, and separated unto the gospel of God, [2] Which he had promised afore by his prophets in the holy scriptures, [3] Concerning his Son Jesus Christ our Lord, which was made of the seed of David according to the flesh; [4] And declared to be the Son of God with power, according to the spirit of holiness, by the resurrection from the dead: II Corinthians 1:2-4 Grace be to you and peace from God Our Father, and from the Lord Jesus Christ, [3] Blessed be God, even the Father of our Lord Jesus Christ, the Father of mercies and the God of all comfort: [4] Who comforted us in all our tribulation, that we may be able to comfort them that are in any trouble, by the comfort wherewith we ourselves are comforted of God. Same thing in Galatians 1:3-4 and in Philippians 1:2 and in Colossians 1:3 We give thanks to God and the Father of our Lord Jesus Christ, praying always for you. I think this is most remarkable that Paul would make mention of God our father and the Lord Jesus Christ, but never made mention of the Holy Spirit. Why? Because the Holy Spirit is not a person. If anything is being taught differently in your church, you might need to search it out and ask a lot of questions. One question you should ask is where in the bible do you find the term "God the Son" or "God Holy Spirit"? (continued)

By Paragon News Director Jared Atha

Wanted OKC Man Accused of Inappropriately Touching Teen

September 2, 2021 - An Oklahoma City man is wanted in Custer County after being charged with one felony count of lewd or indecent acts to a child under the age of 16.

According to a probable cause affidavit, 25-year-old William Andrew Geddes Junior is wanted for the alleged crime after he allegedly inappropriately touched a 13-year-old girl several years ago. Court records show Clinton police were made aware of the incident by a cousin of the girl on June 25. She would tell police the incident took place at a Clinton home that she was renting.

During a forensic interview with the victim conducted by a detective with the Clinton Police Department, the victim disclosed that while spending the night at her cousin’s home, she woke to find the defendant lying behind her rubbing her back. She would tell the detective that Geddes allegedly kissed her before putting his hand down her pant and allegedly violated her.

The document stated that after the forensic interview, the detective would interview Geddes where he would deny the accusations and agreed to take a polygraph test. However before the test could be administered, Geddes would confess to authorities that he did what he was accused of.

Geddes would again confess to the crime to the Clinton detective.

An outstanding warrant for arrest for Geddes was issued last week in Custer County District Court. Bail has been set at \$20,000.

Man Awaiting Jury Trial Accused of Witness Intimidation

September 2, 2021 - An Elk City man in jail and awaiting trial for rape and kidnapping charges has had an additional felony charge of intimidating a witness levied against him recently.

Court records show 28-year-old Schyler Jordan Nidey received the charge last week after authorities monitored him making a phone call from the Beckham County Jail to 38-year-old Heather Nicole Dean. In the phone call he and Dean allegedly conspired against a person who is a witness for the state in the trial against Nidey. Nidey was allegedly heard stating to Dean that he was going to call the witness and threaten her for talking to authorities.

A short time later Nidey called the witness and proceeded to threaten her.

Court records show along with Nidey receiving the additional charge, Dean received one felony count of conspiracy for her role in the crime.

Nidey was arrested last April after being accused of choking and raping a woman inside an Elk City apartment. Nidey was also accused of holding the woman inside the apartment against her will.

Nidey has plead not guilty to the crime and is currently awaiting a jury trial that is scheduled for October 25.

Arapaho Man Dies in Motorcycle Accident

September 1, 2021 - An early Wednesday morning motorcycle accident has left an Arapaho man dead.

According to the Oklahoma Highway Patrol’s accident report, the incident took place approximately at 4 a.m. Wednesday on U.S. Highway 183, one mile north of Clinton in Custer County when a 2007 Ford F-150 heading northbound on the highway attempted to make a left-hand turn into a private drive when a 2007 Honda Motorcycle driven by 29-year-old Devin James Greene of Arapaho struck the pickup while heading southbound.

OHP says Greene died at the scene due to massive injuries.

The driver of the pickup was transported to the Clinton hospital where they were treated and released with minor injuries.

OHP says the cause of the collision is still under investigation.

AUCTION CALENDAR

DEWEY CO. HOME & LAND AUCTION

WEDNESDAY, SEPTEMBER 15TH 10 A.M.

72676 N 2092 RD, CAMARGO, OK

Open House: Wednesday, Sept. 8th 5-7 p.m.

You don't find them like this every day! This is a once in a lifetime opportunity to purchase a portion of one of Dewey Counties oldest ranches. 320 acres of prime hunting including ELK, Whitetail, Turkey, and Quail. Water isn't an issue on this property having one windmill, one submersible pump, and a creek that runs constant most of the time. There are some excellent bottoms, good cover, and secluded from county roads. You won't be disappointed with this place. The home is centrally located on the ranch and has a good driveway. 1,850 sq. ft of living area with 3 bedrooms, 1 full bath, 1 half bath, 2 living areas, and a one car garage.

Seller: Tony & Sabine Kays

ESTATE AUCTION

WEDNESDAY, SEPTEMBER 29TH

WHITE DENTAL CARE

Drs. Mori & Teri White, DDS

Sedation Dentistry Calms Fears...
Take a *pill* and *snooze* through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

Drs. Mori & Teri White practice cosmetic, implant and family dentistry at 2802 8th Street, Woodward, OK 73801.

Telephone (580) 256-4301. See our website at www.woodwarddentist.com
