Sedation Dentistry Calms Fears...

Take a ***pill*** and ***snooze*** through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

Drs. Mori & Teri White practice cosmetic, implant and family dentistry at 2802 8th Street, Woodward, OK 73801.

Telephone (580) 256-4301.

Altosid IGR Mineral Tub

It's a fact! The constant biting of horn flies inflicts excessive stress on cattle. Fly counts can reach up to 2000 flies per animal, taking up to a gallon of blood in a 135-day fly season. Control horn flies all season with Altosid IGR Wind & Rain Mineral Tubs and you will see a difference in your heard. Begin putting Altosid IGR out in the spring. Continue feeding Altosid IGR throughout the summer until 30 days after the first frost to help prevent horn flies.

WIND AND RAIN® STORM® FLY CONTROL MINERAL CONTAINS ALTOSID®

ALTOSID® IGR SOLUTION

Altosid is ingested with cattle's mineral or feed. As they graze, cattle disperse IGR via their manure.

Adult horn flies live 2 to 4 weeks, taking 20 to 30 blood meals per day.

In 1 to 2 days, eggs hatch into larvae. After 3 to 5 days, the larvae molt into pupae.

Altosid breaks the life cycle here, preventing pupae from molting into adults.

Female flies leave the animal for a few seconds to lay eggs in fresh manure less than five minutes old.

Also available in sacks!

Perseverance comes in many different forms

A lady who works at the truckstop in Woodward has a daughter in a wheelchair after a wreck several years ago.

The mother has the guy who works in the ring at the sale buy her a few bottle calves. This gal has a motorized wheelchair and feeds them on the bottle. I asked her mother how does she get them started because sometimes

does not baby her and I am sure that is far better for the girl in the long run.

She said the first time after accident that they went to the grocery store she told her daughter to go down one aisle and she would go down the other. Her daughter said,

“Are you going to go with me?” The mother said, “No. You are in a wheelchair but you are not crippled.” Meaning buck up and do it. The mom said, “As I walked away to the next aisle tears were rolling down my eyes.”

The other day I looked at the feeder futures and several months were at \$172.00. I thought to myself instead of hedging them I was going to lock in an insurance deal on them that allows you to do that after the market closes.

But don’t tell my banker as I forgot about it that night and since they have fallen \$9 per hundredweight. However, they are still a good price.

On Sunday, the assistant preacher, who is Black, preached. I took it that it was several years ago but he told us how he signed up for an evangelism conference where there several preachers. He said, “I mailed my information in but didn’t put much on it.”

He continued, “When I got there I said, ‘I am here for the conference.’”

The man said, “OK, it starts at 7.” The assistant preacher replied, “No, I am one of the speakers.” The man said, “Oh-oh-uh-oh. Let me check.”

The man went to the back and came back and said, “OK, they said it was fine for you to preach.” The assistant preacher said he knew it was because he was Black but it was no big deal. So when he preached that night several came to the front to make a commitment or ask for prayer.

One man leaned in to the Black preacher and said, “Sir, if Black people are going to be in heaven then I don’t want to go.”

It caught him by surprise. He leaned back for a little bit then leaned forward and said, “Sir, you can either have integration in heaven or hell. I guess it is your choice.”

Editor’s note: Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family’s ranch near Slapout, Oklahoma.

teaching a calf to suck the rubber nipple can be challenging even if you are not in a wheelchair.

She said, “Well, she will push them a corner and then reach down there and pull their heads up.” I admire anyone who has that much desire and stamina to make the best of it. Her mother

Woodward Livestock Auction Report

THURSDAY, SEPT 9, 2021

Receipts: 3606 Last Reported: 2,939 Last Year: 1,565

Compared to last week: Feeder steers over 850 lbs 3.00 to 5.00 higher. Feeder steers under 850 lbs steady to 5.00 lower. Feeder heifers 3.00 to 4.00 higher. Steer calves steady to 5.00 lower. Heifer calves 5.00 to 7.00 lower. Demand good for the thinner fleshed weaned calves with the seasonal spread widening for the unweaned fleshy calves as more come to market. Quality average. Supply included: 100% Feeder Cattle (55% Steers, 40% Heifers, 5% Bulls). Feeder cattle supply over 600 lbs was 76%.

Why grow DWC? Faster growth - Plants grown in deep water culture intake more oxygen directly from the air than from the oxygen dissolved in water. DWC allows the roots to absorb large quantities of oxygen also allowing the intake of balanced nutrients. This leads to accelerated growth throughout the plant's life, bringing quality medical cannabis to the patients quicker. In DWC, growers have control over nutrients, which means growers can fix nutrient problems quickly. DWC growers are also least likely to have their garden attacked by bugs or pests (though it's definitely still possible). Therefore, it reduces the need for pesticides, allowing us to keep your medicine clean and sticky!! We believe DWC is the best way to grow cannabis.

Understanding What We Read

(For students of the Bible)

What Does My Church Teach?

(continued study of whom God and Jesus are)

Titus 1:4 To Titus my own son after the common faith: Grace, mercy, and peace, from God the Father and the Lord Jesus Christ our Savior. I think this is most remarkable Remember that when Paul would make mention of God our father and the Lord Jesus Christ, but never made mention of the Holy Spirit. Why? Because the Holy Spirit is not a person. If anything is being taught differently in your church, you might need to search it out and ask a lot of questions. One question you should ask is where in the bible do you find the term "God the Son" or "God Holy Spirit"? Now I would like to consider what Moses said to the Children of Israel Deut.6:4-9 4 "Hear, Israel! The LORD is our God, the LORD is one! 5 And you shall love the LORD your God with all your heart and with all your soul and with all your strength. 6 These words, which I am commanding you today, shall be on your heart. 7 And you shall repeat them diligently to your sons and speak of them when you sit in your house, when you walk on the road, when you lie down, and when you get up. 8 You shall also tie them as a sign to your hand, and they shall be as frontlets on your forehead. 9 You shall also write them on the doorposts of your house and on your gates. Jesus was asked which was the first commandment of all? Here is his reply: Mark 12: 29-32 28 One of the scribes came up and heard them arguing, and recognizing that He had answered them well, asked Him, "What commandment is the foremost of all?" 29 Jesus answered, "The foremost is, 'HEAR, ISRAEL! THE LORD IS OUR GOD, THE LORD IS ONE; 30 AND YOU SHALL LOVE THE LORD YOUR GOD WITH ALL YOUR HEART, AND WITH ALL YOUR SOUL, AND WITH ALL YOUR MIND, AND WITH ALL YOUR STRENGTH.' 31 The second is this: 'YOU SHALL LOVE YOUR NEIGHBOR AS YOURSELF.' There is no other commandment greater than these." Jesus recognized his Father as the one true and living God. Since God is his Father Jesus could not be the God the world claims him to be. Where did this notion of the Trinity come from? Should you like a copy of this message printed it can be yours free upon request, let me say no one will be asking you for any money. So where did this notion of the Trinity come from?

(to be continued)

OSBI Investigating Death of Clinton Man in Police Custody

September 13, 2021 - The Oklahoma State Bureau of Investigation is investigating an in-custody death that occurred August 31 in Clinton. The Clinton Police Department requested a full OSBI investigation after the death of 37-year-old Butch Thomas Herndon.

In a statement from the OSBI, just after noon on August 31, Clinton police officers arrested Herndon in the 1200 block of Modelle Avenue in Clinton for public intoxication. Herndon was taken to the Clinton City Jail and placed in a cell by himself. A few minutes later when staff checked on him, Herndon was found unconscious in the cell. EMS was called and transported Herndon to Alliance Health Hospital in Clinton where he died.

Clinton Police Chief Paul Rinkel released an official statement regarding the death on Saturday saying, in part:

“Clinton Police Department received multiple calls in reference to a subject that was ‘acting strange’ and was trying to enter occupied vehicles in the parking lot of a convenience store located at 10th and Modelle.

The subject was being followed by witnesses and officers located the subject in the 1200 block of Modelle as he was attempting to enter a locked car in a driveway.

The subject appeared to be intoxicated and was placed into custody without incident. A short time later, the subject attempted to kick out the windows of a patrol car and became out of control.

The subject was restrained, but no other force was used or required.

Medical and fire personnel were dispatched to the scene, but the subject refused to allow them to examine him. He was transported to the Clinton City Jail and placed on 15-minutes checks.

A short time later, he was found to be unresponsive and officers immediately began to render aid.

He was transported to Alliance-Health Clinton where he passed away.”

Chief Rinkel said in the statement that it is routine to contact the OSBI in situations like this one.

The OSBI said that the Medical Examiner will determine cause and manner of death.

Double Homicide in Leedey – Man Turns Himself In

September 13, 2021 - The Oklahoma State Bureau of Investigation is investigating a double homicide that occurred early Monday morning in Leedey.

According to a press release, the Dewey County Sheriff’s Office requested the OSBI’s assistance after they responded to the Leedey Ambulance Barn and located 44-year-old Angel Boyd, and her sister-in-law 31-year-old Stacy Boyd deceased from gunshot wounds. Angel Boyd was an EMT for Leedey.

OSBI said Angel’s husband, Mitchell Boyd, told investigators that his sister, Stacy’s live-in boyfriend, wanted to come talk to him. Mitchell arranged for Tye Sechrist and Stacy to come to his and Angel’s home in Leedey early Monday morning to talk. When they didn’t arrive, he tried calling both Angel and Stacy. When neither answered, he went to the ambulance barn and found them both deceased. The sheriff’s office received a 911 call at 3:10 a.m. reporting the double homicide.

Investigators say Sechrist was taken into custody at the home he and Stacy shared at 7:18 a.m., after calling authorities to turn himself in. He was booked into the Dewey County Jail this afternoon. He is facing two counts of Murder in the First Degree.

Local Student Admitted into SWOSU College of Pharmacy

September 9, 2021 -Aiden Green of Elk City has been accepted into the Southwestern Oklahoma State University College of Pharmacy at Weatherford.

Forty-one students were admitted into the Doctor of Pharmacy program for the 2021 fall semester. The class has an average cumulative grade point average of 3.45 and is composed of 19 women and 22 men.

The SWOSU College of Pharmacy admits 85 students each year to its Doctor of Pharmacy program during the fall and spring semesters.

Minimum requirements to make application for admission to the SWOSU College of Pharmacy include completion of at least 61 semester hours of specified pre-pharmacy courses with a cumulative grade point average of at least 2.50.

The selection process is competitive and based on a number of factors. These include, but are not limited to, science and mathematics grade average, overall grade average, American College Test (ACT) or Scholastic Aptitude Test (SAT) scores, Pharmacy College Admission Test (PCAT) scores, motivation, character, and communication skills.
