Try to consider view of others in tough times

Jerry Nine
Woodward
Livestock
Auction
Woodward, OK

If you want to find out the true personality and what a person stands for then there are several instances that will let you know.

One test is often a divorce or settling an estate. Or basically anything to do with money and often money isn't the main interest. It is often winning. It's sometimes not needing the money or property

but simply keeping the other person from getting it. The best thing to do is to take a step backward and try to look at it from the other person's angle. That is often hard to do particularly when the devil is putting those evil thoughts in your head or often a spouse reminding you that you are getting cheated. And

don't get the story wrong as the devil and your spouse are not necessarily the same person.

This cattle business is the only business I have done. And I would like it even better if I felt like we individual cattlemen were getting a fair shake. The bulk of the long weaned feeder cattle are already sold and soon it will be mostly a big weaned calf. What I see this time of year is a feedlot wants those calves weaned 70 days to feel very comfortable that they won't get sick. I know several ranchers do not understand them wanting that many days but they evidently have records to provide anything less can be a problem at least once in awhile. And if they are going to pay top price I don't blame them.

If you are taking your cattle to a sale the first thing you need to look for is honesty and whether the representatives truly work for the seller. And make sure their auctioneers are the same. The next thing is you have got to have quite a few buyers there every week plus farmers and ranchers buying. If a sale has two or three buyers they are not going to bid against themselves.

We sold 72 steers Sept. 30 weighing 907 pounds and brought \$158 per hundredweight and the last \$5 per hundredweight was a quarter and a dime at a time making the seller lots of money.

I was talking to a retired veterinarian who said about 20 years ago a rancher asked him to come out to his place and pick out the best 2-year-old bull he had as he wanted to sell him in the special cow and bull auction at the sale the following week. So he went out there and the rancher had about 15 bulls to pick from. As he stirred them around he thought to himself there was not a good bull in there.

So he picked out what he thought was the best of what he had. After that sale was over and the bull had sold a lot cheaper than most of the other bulls the rancher walked by the veterinarian and said, "You couldn't pick out a good bull if your life depended on it." The veterinarian said, "Well, there wasn't a good one to pick."

The veterinarian said it made the rancher mad but it was the truth.

(DWC) DEEP WATER CULTURE STYLE GROW
We pride ourselves on a quality hydroponic grow process which ensure proper nutrients to our plants.

QUALITY FLOWER, SHAKE & TRIM AVAILABLE

Why grow DWC? Faster growth - Plants grown in deep water culture intake more oxygen directly from the air than from the oxygen dissolved in water. DWC allows the roots to absorb large quantities of oxygen also allowing the intake of balanced nutrients. This leads to accelerated growth throughout the plant's life, bringing quality medical cannabis to the patients quicker. In DWC, growers have control over nutrients, which means growers can fix nutrient problems quickly. DWC growers are also least likely to have their garden attacked by bugs or pests (though it's definitely still possible). Therefore, it reduces the need for pesticides, allowing us to keep your medicine clean and sticky!! We believe DWC is the best way to grow cannabis.

Understanding What We Read

(For students of the Bible)
What Does My Church Teach?

(continued study of whom God and Jesus are)

My beloved where in the Bible did Jesus ever call himself the Almighty God? Now I want to turn our attention for just a little while on Who Jesus is. We have already given a little insight as to who Jesus is. We come to realize more and more that God has blessed us with the wonderful truth in regards as to who Jesus is. How thankful the Church should be that God has revealed his truth to a lost and dying world as to who Jesus is. We can know that even from the heart if we are seeking him with our whole heart whom Jesus is. That is what Jesus meant in Matthew 5:6 "Blessed are those who hunger and thirst for righteousness, for they shall be satisfied." I'd like to shed some light on a passage in John 17:5 Jesus is praying to His Father. Just listen to Him, "Father glorify thou me with thine own self with the glory which I had with thee before the world was." This is not the glory of an Immaterial pre-natal state. If so, the prayer was never answered, for Jesus did not return to an immaterial pre-natal state. The glory was the glory of being made the pro-genitor of an immortal race. The power to give eternal life was the prerogative of God along. But in the plan and purpose of God it was designed that the seed of the woman the Son of the virgin, would share that prerogative with the Father. Now the time had come for God to put the purpose into effect. So, Jesus prayed, Father the hour is come glorify thy Son that thy Son may glorify thee. Verses 1 & 2 as thou hast given him power over all flesh that he should give eternal life to as many as thou hast given him. By this power that has been invested in Him he will one day as is His purpose to do so at His coming will give to his people eternal life Phil. 3:20-2. As the Father in creation breathed upon and gave the lifeless dust made form of man and gave him life, so will the Son in the age to come in the new creation give life to the millions that sleep in the dust of the earth as well as to those that are in Christ who remain alive when he comes in power and great glory. It is the glory of giving eternal life. There is much more that I could give however I feel I have given well enough to have establish the fact of truth that Jesus is the Son of the one and only true and living God. Only those who hunger after righteousness will seek after the things of God. Let me ask you again, to ask yourself this question "What does my Church teach about who God and who Jesus His Son is? I pray that the thoughts on this subject will cause us to seek the one and true and living God, to know him for who he really is for in the end life eternal life will be administered to those who have a proper understanding by seeking him with all their hearts. When compared to similar size communities, Elk City and Weatherford fair pretty well.

Elk City Man Caught With Stolen Copper Wire – Charged

October 8, 2021 - An Elk City man was arrested and charged recently after attempting to steal copper out of a light pole.

According to the probable cause affidavit, 39-year-old Edward Lee Anderson was arrested on the afternoon of September 25 after police were dispatched to the area of 2300 East 3rd Street in reference to an individual stealing copper wire.

When police arrived they found Anderson in an alleyway behind a near by car dealership with a backpack with bolt cutters. When asked about the possibility of being in possession of stolen copper, Anderson would tell police that he was indeed in possession of copper wire, however he had found it in a ditch near Interstate 40. He stated that he used the bolt cutters to cut the wire down in order to fit in his backpack.

Police would make contact with a contractor with PSO who had reported the possible burglary. He would tell police that he witnessed the suspect cut the wire from the light pole.

Later that day a representative with PSO would come to the police department and advised that PSO would be pressing charges against Anderson.

Anderson was arrested and received a felony charge of possession of stolen copper.

His next court date is scheduled for November 8.

The report did not state which while detached itself from the vehicle.

As a result, the vehicle departed the road to the right, rolled one time, and struck a road sign.

Th driver was transported to Great Plains Regional Medical Center in Elk City where he was treated and released, however a passenger, 60-year-old Mindy Brown of Elk City was air lifted to an Oklahoma City hospital where she was admitted in stable condition with head and trunk internal injuries.
