# WHITE DENTAL CARE

## Drs. Mori & Teri White, DDS

**Sedation Dentistry Calms Fears...**  
Take a *pill* and *snooze* through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

## Numbers appear shorter right now

Jerry Nine

Woodward  
Livestock  
Auction  
Woodward, OK

I believe at least in our area the cattle numbers are shorter than some so-called experts believe. If you look at the number of cattle being sold at auction compared to previous years I think that tells part of the story.

I do think with feeders getting a lot higher several months

ago that brought quite a few feeders to the sale or feedlots. Thus for the most part at the sale you see some feeders but more calves. I agree that this time of year this normally happens but I think there are less feeders available now than usual.

### Woodward Livestock Auction Report

THURSDAY, OCT 14, 2021

Receipts: 2,640 Last Reported: 3,580 Last Year: 3,907

Compared to last week: Feeder steers steady to 2.00 higher. Feeder heifers steady. Steer calves 3-5 higher and heifer calves mostly steady to 2.00 lower. Demand was good. Quality was average. Supply included: 100% Feeder Cattle (56% Steers, 40% Heifers, 4% Bulls). Feeder cattle supply over 600 lbs was 65%

## Woodward Livestock Auction

900 Lakeview Dr, Woodward, OK | Jerry Nine 800.442.5548

And I have said that before but with the cow packer being very aggressive on heavy bred cows to get the blood of that unborn calf for experimentation or one article said to add it to fake meat to make it taste like beef. I'm not positive on that last comment but it is possible.

I would guess there were 30 heavy bred cows that sold last Tuesday at my sale that went to slaughter to get the blood of unborn calf and then use meat of cow also.

We had 500 cows, bulls and calves Tuesday. And if 150 of those were medium to heavy bred then one-fifth of those eliminated a calf born next year and possibly fat ready for processing April 2023, or in a year and a half. And I am told the packer is doing that in every area that I have talked to.

Maybe it's my suspicious nature but when the packer is making \$1,000 per head he might be killing more cattle than he is reporting. It's called greed on top of greed.

I hear right now there are some hearings going on in Washington about packer control and their monopoly. But if the right people are not holding them to the fire then it will merely be for show and they will come back with the same results as they did the last time with the fire in the Holcomb packing house in August 2019 and saying, "We couldn't find anything."

If you do not think those masks save lives than you are wrong. Yesterday a friend of mine went out with his girlfriend and on the way he passed his wife and she did not recognize him. That mask definitely saved his life.

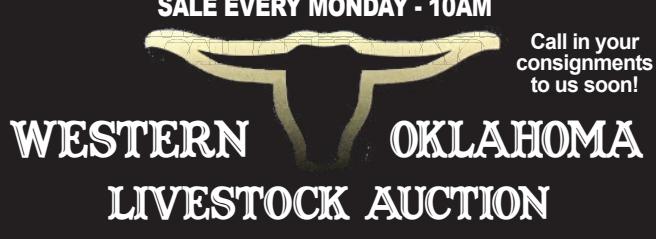

I tried a new breakfast place the other day and was looking at the menu. When the waitress asked for my order, I said, "I will take a quickie." She slapped me. An older woman next to me said, "It's pronounced quiche, dear."

Why grow DWC? Faster growth - Plants grown in deep water culture intake more oxygen directly from the air than from the oxygen dissolved in water. DWC allows the roots to absorb large quantities of oxygen also allowing the intake of balanced nutrients. This leads to accelerated growth throughout the plant's life, bringing quality medical cannabis to the patients quicker. In DWC, growers have control over nutrients, which means growers can fix nutrient problems quickly. DWC growers are also least likely to have their garden attacked by bugs or pests (though it's definitely still possible). Therefore, it reduces the need for pesticides, allowing us to keep your medicine clean and sticky!! We believe DWC is the best way to grow cannabis.

### Understanding What We Read

(For students of the Bible)

What Does My Church Teach?

(continued study of whom God and Jesus are) Knowing God and His Son Jesus in a personal manner will assure one of eternal life. If you have not done so as of yet why not call on him today invite him into your heart and life, doing so then you will speak the same things Jesus speaks. My beloved where in the Bible did Jesus ever call himself the Almighty God? Now I want to turn our attention for just a little while on Who Jesus is. We have already given a little insight as to who Jesus is. We come to realize more and more that God has blessed us with the wonderful truth in regards as to who Jesus is. How thankful the Church should be that God has revealed his truth to a lost and dying world as to who Jesus is. We can know that even from the heart if we are seeking him with our whole heart who Jesus is. That is what Jesus meant in Matthew 5:6 blessed are those who hunger and thirst for righteousness, for they shall be satisfied. The power to give eternal life was the prerogative of God alone. But in the plan and purpose of God it was designed that the seed of the woman the Son of the virgin, would share that prerogative with the Father. Now the time had come for God to put the purpose into effect. So, Jesus prayed, Father the hour is come glorify thy Son that thy Son may glorify thee. As thou hast given him power over all flesh that he should give eternal life to as many as thou hast given him (John 17:1,2). By this power that has been invested in Him he will one day as is His purpose to do so at His coming will give to his people eternal life Phil. 3:20-2. As the Father in creation breathed upon and gave the lifeless dust made form of man and gave him life, so will the Son in the age to come in the new creation give life to the millions that sleep in the dust of the earth as well as to those that are in Christ who remain alive when he comes in power and great glory. It is the glory of giving eternal life. There is much more that I could give however I feel I have given well enough to have establish the fact of truth that Jesus is the Son of the one and only true and living God. Only those who hunger after righteousness will seek after the things of God. Let me ask you again to ask yourself this question what does my Church teach about who God and who Jesus His Son is? I pray that the thoughts on this subject will cause us to seek the one and true and living God, to know him for who he really is for in the end life eternal life will be administered to those who have a proper understanding by seeking him with all their hearts. (For a copy of these articles of Whom God and Jesus are, write to us, no money will be asked) By Wade Church, Second Advent Christian Minister 4911 Horseshoe Bend Rd, Hudson, N.C. 28638 or Wadechurch64@outlook.com

## Clinton Man Wanted, Accused of Choking Woman

October 19, 2021 - A Clinton man is wanted after being charged with one felony count of domestic assault and battery by strangulation.

According to a probable cause affidavit, 27-year-old Anthony Dewayne Martin is accused of the crime after Clinton police were dispatched to a home in the 500 block of North 2nd Street to a report of a physical domestic incident in progress.

When police arrived they would find a woman, later identified as the victim, along with Martin. The victim would tell police that when Martin arrived, he began banging on the front door. She would say that Martin broke a window trying to get into the home and that she took her children to the bathroom. She claimed that when Martin entered the home, he allegedly began to choke the woman. Later the two would go outside where she would tell police that Martin threw her to the ground and began to hit her.

Other witnesses would tell police that they saw the two wrestling on the ground during the incident.

Police would note that they observed lacerations to the victim's legs. When asked about the incident, Martin claimed that he and the woman had gotten into an argument, and that the cuts on the woman's legs were caused by broken glass from the window.

Martin was not arrested at the time of the incident, however an outstanding warrant for his arrest was issued when the felony charge was filed on October 12. Bond for has been set at \$15,000.

As of press time, Martin has not been apprehended.

## Rape Charges Levied Against Mangum Man

October 18, 2021 - A Mangum man who was arrested in July on suspicion of rape by instrumentation and lewd or indecent acts with a child now faces more charges related to alleged rape and child pornography.

33-year-old James Albert Pierro III was arrested on October 12 and now faces four counts of rape, rape by instrumentation, lewd or indecent acts to a child under 16, participation in child pornography, possession of child pornography, and violation of the Oklahoma Computer Crimes Act.

The National Center for Missing and Exploited Children sent a cyber tip to OSBI in late 2020, after a social media platform detected child pornography files being uploaded on a Mangum IP address.

OSBI's Internet Crimes Against Children Unit launched an investigation that was assisted by the District 3 Task Force, Altus Police Department, Greer County Sheriff's Office and Mangum Police Department.

Agents executed a search warrant in the 500 block of Indiana Street in Mangum on July 29, upon which, Pierro was arrested on suspicion of lewd or indecent acts to a child under 16 and rape by instrumentation. He was booked into the Greer County Jail.

Pierro was arrested on additional complaints on Tuesday, Oct. 12, while in custody at the jail.

He remains in the jail on a \$750,000 bond. A meal will not be available this year, and they are encouraging anyone who chooses to attend to wear a mask.

## Hydro Man Accused of Stabbing

October 14, 2021 - A Hydro man is wanted after he allegedly stabbed his girlfriend.

According to court records 43-year-old Jesse Lee Lyles was charged on October 6 with one felony count of assault and battery with a dangerous weapon when the victim – his girlfriend – revealed to Weatherford police that the suspect had beat and stabbed her in the arm.

The woman told police that while at the suspect's home, he told the woman to give him methamphetamine. Because the woman did not have meth, Lyles allegedly became physical towards the woman. She would tell police that she told Lyles to take her to her home so she could give him meth.

The court document revealed that while the two were traveling from Hydro to Weatherford, Lyles allegedly started to hit the woman in the face. Later the man would pull out a knife and stab the woman in the arm.

The woman would tell police that she eventually would give Lyles methamphetamine and he would drive off, leaving her on a back road between Hydro and Weatherford.

The woman would get a ride to the Weatherford Police Department and report the crime.

Bond for Lyles was set at \$75,000. As of press time, Lyles has yet to be arrested.
