Remembering a loved one

Jerry Nine
Woodward
Livestock
Auction
Woodward, OK

For a year or so my brother Hal Nine's heart had not been pumping enough. It had gotten to where his heart was only 10% to 15%.

He said he was ready to go as he knew he was going to heaven and he was tired of having no energy and not feeling well. All the family was praying for

him but God had a different plan. Here is the poem I wrote about him.

It's hard to lose a brother when
He's the only brother you got
And then things roll thru your head
Of all the whys and perhaps why not.

But we all know that God has a plan
And His plan does not always fit mine

And when you look back at his life
It all seems like such a short time.

But my brother was definitely faithful
A true believer till the very end
And his God was not only his Savior
But was also a very good friend.

And I know his message to you would be
God is only concerned with your heart
Don't take a chance of perhaps later
But today is the best day to start.

For two years he was a missionary
In Africa telling them about the lord
And later working in prison ministry
Talking about the master he so much adored.

And I know Hal has already heard these words
Well done thy good and faithful son
And his new life a life of no pain
An unimaginable life he has begun.

Do you think Dad is showing him around
To that pasture that always stays green?
Or do you think Jesus handed him his daughter
The daughter whom he had hardly seen.

Do you think Hal is staring in awe
Of all the beauty of that golden street
Or do you think Mom is dragging him around
To all the people she wants him to meet.

I tip my hat to you, my brother
You've been more faithful than I have been
We are not saying goodbye to you
Instead looking forward to seeing you again.

Editor's note: Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.

“In Case You Missed It Last Week”

By Paragon News Director Jared Atha

Pedestrian Dead After Apparent Hit and Run

May 20, 2022 - Authorities are investigating an apparent hit and run incident in Custer County that has left a Weatherford man dead.

According to the collision report provided by the Oklahoma Highway Patrol, the incident occurred sometime between 8 a.m. and 9:30 a.m. Friday on the Interstate 40 service road, near mile marker 71 – 3 miles east of Clinton.

OHP says that’s where 60-year-old Oscar Washa was found and transported to AllianceHealth Clinton where he was pronounced deceased by medical personnel.

OHP says the cause of the collision and the condition of the victim all remain under investigation.

This is a developing story.

UPDATE: Home Explosion Victims ID’d

May 23, 2022 - Officials have released the names of the two people who died in a home explosion west of Clinton.

According to The State Medical Examiner’s Office the victims are identified as being 55-year-old Glen Lee Penner and 57-year-old Shirley Christina Penner.

The explosion, that occurred early Tuesday morning, destroyed the home that was located on county road N. 2200 – four miles west of Clinton.

No cause to the explosion has been determined. Clinton fire officials along with the State Fire Marshal, the ATF, and the Liquid Petroleum Gas Commission are working together on the investigation.

Western Oklahoma Wells Show Good Number

May 23, 2022 - A Western Oklahoma well drilled by the Kaiser-Francis Oil Company of Tulsa brought in more than 2,100 barrels of oil a day.

The well, drilled in Custer County at a site about 3 miles southwest Custer City was completed in March and had production of 2,129 barrels of oil a day along with 205 Mcf of natural gas from a drilled depth of 16,863 feet into the Cherokee formation.

The well had a January 2022 spud date according to the completion report.

Devon Energy filed a completion report on a Blaine County well with production approaching 1,200 barrels of oil a day.

That well, located 10 miles southeast of Watonga was completed in December 2021. Its initial production was 1,181 barrels of oil a day and 3,786 Mcf of natural gas from a drilled depth of 26,696 feet in the Mississippian formation.

The spud date was in April of 2021 according to the completion report.

Mewbourne Oil Company filed reports on two wells in Ellis County. The first well, drilled 10 miles south of Arnett, produced 374 barrels of oil a day and 712 Mcf of natural gas when completed in December 2021. The well, drilled to a depth of 19,964 feet into the Cherokee formation had an April 2021 spud date according to its completion report.

The second well, drilled immediately adjacent to the first well, produced 306 barrels of oil a day and 782 Mcf of natural gas. It too was in the Cherokee formation but had an October 2021 spud date according to its completion report.

WHITE DENTAL CARE
Dr. Mori & Teri White, DDS
Sedation Dentistry Calms Fears...
 Take a *pill* and *snooze* through your dental appointment.
For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.
 You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.
 For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.
 Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.
 We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.
Dr. Mori & Teri White practice cosmetic, implant and family dentistry at 2802 8th Street, Woodward, OK 73801
 Telephone 580-256-4301
