## America belongs to all, not to political parties

**Jerry Nine**  
Woodward  
Livestock  
Auction  
Woodward, OK

More and more and at a very fast pace our country is moving toward communism, in my opinion. You may pass that thought off by saying that I am just radical. I think so many people are being manipulated at the highest degree and I challenge you to quit thinking Republican or Democrat and start thinking about the survival of America as a free country.

Money talks to most people in power and our freedom is being sold out, in my opinion. If you have people that hate America and also have an unlimited

money source they can easily change America from what it used to be to the direction we could be headed toward.

One of the first ways they do this is to get control of the news media. Secondly you get every high up politician in

your hip pocket where you control the shots and they don't. Social media in a lot of ways has been good but in more ways it is the easiest way to put filth in young children at a very young age brain-washing them to have less respect for themselves and others and also less respect for life in general.

If you sit back and do nothing you are being lazy. The one thing you can do is pray every day that God will help us get out of this mess before it is too late. I love America. And that is why you have so many from a lot of countries willing to risk their life and the lives of their family just to have a chance to live in freedom.

April 26 we got our first rain after a terrible long drought. Before that some cattlemen were almost at a point as if they thought it would never rain again. A lot of ranchers had said in April that they could go one or two more weeks before they would sell all their cattle or several more. But since that first rain just north of Laverne one man said he had a little over 20 inches. Just south of us 40 miles another small area got 10 inches in two days. And this morning one said they had 10 inches in July so far. Never take that for granted. And I hope you will tell God thank you. Our grass looks as good as I have ever seen and particularly for mid-July.

One older woman said to her husband, "Honey let's run upstairs and make love." The husband said, "Good grief, I can't do both."

My sister was going this morning to see about getting a knee replacement. She called her husband at the cafe to see if he was ready to go. I hollered down to the other end of the table to her, so he put it on speaker phone. I said, "Sandra, are you sure they have any molds that large for your knee?" I was just trying to help her out.

*"Editor's note: Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma."*

"Mike has a simple formula to prove the value of the oiler. "If the cattle aren't swatting flies, they are eating grass, making milk and putting pounds on the baby. And if the babies aren't swatting flies, he's retaining that weight to go to market with. That's all you've got to sell is weight of the cow."

**Parents Casting Contest WINNER**

**Thank You Presidio!**

**Most Fish Caught WINNER Emma Sharp**

**Biggest Fish WINNER Savannah Oatley**

The 9th Annual Kids' Fishing Derby at Ackley Park in Elk City last weekend was another huge success. Over 500 people attended, and youngsters caught over 100 fish & turtles. PRESIDIO Petroleum cooked hamburgers and hotdogs free for everyone. PRESIDIO also rented the park, opening up the carousel, the putt-putt course and had train rides for all to enjoy. Thanks to our great sponsors for providing prizes, bait, drinks, food and fun! And we couldn't do this without help from the Oklahoma Fish & Wildlife Department. Each year they stock the ponds with fish, attend the Derby, provide free poles for kids to use, and offer instruction and advice.

Check out KECO Facebook page for lots more pictures.

## Online Activity Prompts FBI Arrest of Elk City Man

August 3, 2023 - By News Director Jared Atha - An Elk City man was arrested last week after an investigation that involved the FBI lead to authorities believing that an assault of a child by the man was imminent.

During the arrest, police found multiple female juveniles in the home.

Details are limited, however in a press release provided by Elk City Police, detectives received a call on July 28 from the FBI concerning their investigation of an internet crime against children. Detectives were told that a male subject was online at the time, and the FBI had reason to believe that an assault of a child was imminent. The Elk City Police formed an entry team and made entry into the residence, detaining the suspect (whose name has not been released) and secured the scene.

The FBI would arrive and take the suspect into custody.

The press release said detectives with the Elk City Police Department observed 5 juvenile females inside the residence with ages ranging from 6 to 14 years of age.

Police said due to the nature of the allegations from the FBI, Elk City P.D. pursued the investigation and additional information, and evidence was obtained.

On Wednesday a search warrant was served by Elk City Detectives at the residence and additional evidence was obtained and charges are expected to be filed in Beckham County District Court next week.

This is an ongoing investigation.

## Lucas in Good Condition After Ranch Accident

August 7, 2023 - U.S. Rep. Frank Lucas of Cheyenne was admitted to OU Medical Center in Oklahoma City on Friday after being injured on his cattle ranch, his office said Saturday.

In a press release provided by Lucas' office, it said the injuries were not life-threatening, and that Lucas was in good condition.

This isn't the first time the Congressman has been injured while working on his ranch.

Lucas was injured by cattle at least twice previously during his time in Congress. In 1996, his nose was broken when a cow kicked a gate into his face. And in 2003, he lost a tooth and needed emergency root canal surgery when he butted heads with a heifer.

Lucas has served in the House since 1994 and is the senior member of the Oklahoma congressional delegation. His district includes much of western Oklahoma and parts of Oklahoma County. Lucas is chairman of the House Science, Space and Technology Committee.

## Erick Man Hospitalized After Wreck in Cheyenne

August 2, 2023 - By News Director Jared Atha - An Erick man was hospitalized Tuesday evening after being involved in a single vehicle accident in Cheyenne.

According to the collision report provided by the Oklahoma Highway Patrol, the accident occurred in the 100 block of LL Males Avenue in Cheyenne when the 2002 Chevrolet S10 driven by 18-year-old Prestan B. Fleming of Erick departed the road to the right and collided with an embankment.

Troopers said as a result a passenger in the pickup, 20-year-old Eliah W. Melton of Erick was flown to OU Medical Center in Oklahoma City where he was admitted in stable condition with trunk external injuries.

OHP said the driver was uninjured in the crash and that both occupants were not wearing seat belts.
