US needs to remain strong

Jerry Nine
Woodward
Livestock
Auction
Woodward, OK

I hear several people say they think this is the last generation to enjoy America as we know it today.

I don't think it has to be but I'm afraid if we don't make some drastic changes that it could be. There seems to be so much corruption in our government and if you are the party in power even the branches that are supposed to be non-political aren't. Our country was founded "In God We Trust" and that is the main reason the United States has been blessed.

But evil is creeping in so many areas. It's time all of us take a stand—for God and a stand for what is right. The preacher said Sunday, "Don't give up on God cause He won't give up on you. If you start your day with

thankfulness it will change your whole day. One of my sons thought his world was caving in. I suggested every morning he write down on paper 10 things he was thankful for.

Then I also reminded him of other people that were having a rough time. Sometimes we feel we are the only one having a problem.

The cattle market is very good all the way from slaughter cows and bulls to light weight calves and all feeders. Luckily we got another rain a few days ago which will set some early planters of wheat in good shape. Others think it is too hot and too early but like an older farmer told me it's not going to grow in the bin.

We are getting some cows at the auction because of dryness and ponds drying up south of us three hours. A friend of mine went to the doctor for prostate surgery. He had confided in me that he didn't want to lose his anatomy that made him feel more like a man.

After surgery the doctor came to his room and said, "I have some good news, and some bad news." My friend said, "Well, tell me." The doctor said, "I was able to save them." My friend said, "Well, what's the bad news." The doctor said, "They are in a jar."

I was at the truck stop in Woodward and a man asked me how far Boise City was? I googled it and said, "Siri says almost three hours." The sheriff was talking to another couple close by listening to the conversation. I said, "As long as you get started before the sheriff does, I'm betting you can make it in two hours."

My brother-in-law said the other day at breakfast that the nights are sure getting longer. I said, "Why is that cause you are stuck in the house with your wife?"

"Editor's note: Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma."

"Mike has a simple formula to prove the value of the oiler. "If the cattle aren't swatting flies, they are eating grass, making milk and putting pounds on the baby. And if the babies aren't swatting flies, he's retaining that weight to go to market with. That's all you've got to sell is weight of the cow."

Wheeler County Pursuit of Stolen Truck Leads to Arrest

August 31, 2023 - Texas authorities were led on a high speed pursuit Saturday night that saw the suspect attempt to ram pursuing vehicles.

According to the Wheeler County Sheriff's Department, the incident began at 7:00 p.m. Saturday when deputies observed a GMC Sierra pickup that they had known to be reported stolen out of Canadian, Texas earlier in the day.

Deputies attempted to make a traffic stop on the vehicle where it came to a brief stop before taking off at a high rate of speed.

Deputies pursued the vehicle east bound on Texas State Highway 152 when it began to swerve at deputies before coming to a stop in the middle of the highway. Once deputies were stopped and attempting to exit their units to conduct a felony stop on the suspect the suspect proceeded to accelerate in reverse towards the deputies in attempt to ram them with the vehicle.

Fortunately deputies were able to avoid the suspect vehicle.

The suspect then turned the vehicle around and began evading deputies west bound on 152 back into Wheeler City Limits where the Wheeler County Precinct 1 Constable's office joined the pursuit.

The vehicle would weave through Wheeler city streets before it headed south on US Highway 83 where a Texas Department of Public Safety Trooper was able to successfully spike the suspect's tires. After another short pursuit, the vehicle would come to stop – however the suspect, later identified as being Brennon Joel Meyers, would lead law enforcement on a short foot pursuit before being taken into custody.

Meyers was charged with multiple felony and misdemeanor charges that included unauthorized use of a motor vehicle, evading arrest in a motor vehicle, evading arrest, 2 counts of aggravated assault of a public servant, deadly conduct, and reckless driving.

Interim Police Chief Named in Clinton

September 1, 2023 - City of Clinton officials have named an interim police chief of the Police Department.

Luis De La Torre will assume the role as interim chief starting tomorrow.

Former Police Chief Paul Rinkel, who announced his retirement last month, wrapped up his four years of service to the city today.

De La Torre has been with the Clinton Police Department since 2009. He was serving as a captain and support division commander - which he will continue to do while acting as interim chief.

No word on when a new chief will be named.

Clinton Man Wanted on Burglary Charge

August 30, 2023 - A Clinton man is wanted in Custer County on charges of third degree burglary after his suspected involvement in an alleged car robbery.

According to a probable cause affidavit, a warrant for the arrest of 22-year-old Keelie Lain Dakota Gifford was issued last week after receiving the felony charge. The affidavit stated that on August 14, Clinton police met with the victim of the crime who told them that a male subject was seen on security footage breaking into two vehicle that were in her driveway. The woman told police that her wallet was taken that contained bank cards and \$500 of cash.

A break in the case came when the victim said she had posted video of the crime on social media. She said someone suggested that the perpetrator may have been Gifford.

After obtaining a picture of Gifford, police were able to confirm that he was the suspect by matching it with previous book-in photos.

Court records show that this isn't the only warrant out for Gifford's arrest. Records show he is also wanted on a misdemeanor charge of concealing stolen property and driving under the influence of alcohol – both out of Custer County.
