Hello, I'd like this ad to run under Livestock  
25 really nice farm-raised  
cows, gentle, 4-5 years old,  
been pegged to calved in  
early spring to Angus bulls,  
580-225-9696

Thank you for your ad  
submission. The cost of this  
ad is \$10/week or we have a  
special. If you run the ad for 3  
weeks, you get your 4th week  
free. The cost for that would  
be \$30.

I'll do 4 weeks for \$30

## Snowfall lends itself to some funny anecdotes

**Jerry Nine**  
Woodward, OK

Where are all you global warming people this morning when we went out to sort cows? Come on, Al Gore, that would be good for you.

We received snow but not as much as a lot of other areas and we definitely got wind. I think that is one reason I do not like snow because we almost always get wind. And it normally blows it in the bar ditch. This time I could see some still on some fields where there was a little cover and in the grass and sage brush.

Basically, the only snow I like is if it melts the next day. Or it wasn't too bad following a snow bunny down the ski slope.

Oklahoma National Stockyard had 14,400 head of cattle for its first sale this year. It's a big sale but the stockyards had been shut down for two weeks. The call on the market on feeders was \$3 to \$8 per hundredweight lower and calves \$2 to \$5 lower.

The blizzard prospects in the north might have kept some from bidding and the trucks might not have been able to get to the feedlot.

I did read where Russia showed its second largest grain crop.

The preacher said Sunday, "Remember, if God is still talking to you then that means he hasn't given up on you." He said the problem with America is not a Democrat or Republican problem. And it is not a black, white or brown problem, or Russia or China, but rather a spiritual problem.

At breakfast one man showed up early. He had just retired the week before. One man said, "Well, that was a short retirement." He said, "Well, I didn't retire from eating."

One gal who comes to the sale every week gives every calf she has a name. And this is the first year that she has ever calved out heifers. Her sister was her helper and this is her sister's recollection of their first year of calving.

They walked out to the corral at 3 a.m. and she heard her say, "Great job, Susan" as they walked by a heifer with a new baby calf. Then she heard, "Darn it, Ethel, push. You can do it." Then she said, "Well, Lilly, if you can't have that calf, you are a wimp. It looks like a fawn." Then she said, "Millie, if you kick that calf one more time, I will show you what a kick feels like." Then, "Betty, you can beller all you want, but I am tagging your calf!" Then she mumbled, "I will never calve out heifers again."

## THE NO FLY ZONE

- Reduce spread of disease & infestation
- Eliminates man power
- Increase daily rate of gain
- Reduce costly stress of cattle
- No product waste
- Improve overall health on cows and calves
- Saves pressure on fences

"Mike has a simple formula to prove the value of the oiler. "If the cattle aren't swatting flies, they are eating grass, making milk and putting pounds on the baby. And if the babies aren't swatting flies, he's retaining that weight to go to market with. That's all you've got to sell is weight of the cow."

**Sedation Dentistry Calms Fears...**  
Take a *pill* and *snooze* through your dental appointment.

**F**or many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

## Voter Registration Deadline Approaches

January 15, 2023 - Roger Mills County Election Board Press Release - Friday, January 19, is the last day to apply for voter registration in order to be eligible to vote in the February 13 Leedey Public Schools Special Election, Roger Mills County Election Board Secretary Jana Maddux said today.

Maddux said that persons who are United States Citizens, residents of Oklahoma, and at least 17 1/2 years old are eligible to apply for voter registration. However, you must be at least 18 years old to vote.

Applications must be received by the County Election Board or postmarked no later than midnight, Friday January 19. Applications postmarked after that time will be accepted, but will not be processed until after the February 13 Election. Applications may also be submitted to any motor vehicle agency that is also an official voter registration agency by the submission deadline.

Applicants will be notified in writing when their application has been processed. Approved voters will receive a Voter Identification Card in the mail. Some may receive a letter that explains the reason or reasons the application was not approved. Maddux said those who do not receive a response within 30 days of submitting their application should contact the County Election Board office immediately.

The Roger Mills County Election Board reminds voters that applications must be approved by the County Election Board Secretary in order to vote.

Registered voters who have moved to Roger Mills County from a different county or state will need to complete a new Voter Registration Application in order to be eligible for elections in Roger Mills County. If you have moved within the county and need to update your address, you may make changes online using the OK Voter Portal at [oklahoma.gov/elections/ovp](http://oklahoma.gov/elections/ovp) or complete a Voter Registration Application.

Voter Registration Applications can be downloaded from the State Election Board website at [oklahoma.gov/elections](http://oklahoma.gov/elections). You may also complete a form at your County Election Board. Most post offices, tag agencies, and public libraries have applications available upon request.

The Roger Mills County Election Board is located at 503 E. Broadway, Cheyenne, Ok and is open from 8:00 a.m. to 2:00 p.m., Monday through Friday. For questions, please contact the Election Board at 833-638-7999 ex. 7 or [rogermillscounty@elections.ok.gov](mailto:rogermillscounty@elections.ok.gov).

## One in Custody Following Fatal Shooting in Beckham County

January 15, 2024 - Beckham County Sheriff's Office Press Release - A Carter man is in custody at the Beckham County Detention Center following a shooting which left another Beckham County man dead Thursday morning. Sheriff Derek Manning said the shooting occurred on a roadway outside an oilfield business located at 915 S. Merritt Road, where the victim reportedly worked.

Manning said the initial report of the shooting came to his office at about 8:16 am as a 911 transfer call from the Elk City Police Department. The caller stated that he had shot a man who was trying to get in through the window of his truck.

Manning said that Elk City Police and Fire Department personnel were the first to arrive at the scene, just west of Elk City. Manning said police officers immediately detained the caller who had reported firing the shot. That caller was later identified as 37-year-old Clayton Samson Hays of Carter.

Police and fire personnel attempted life-saving measures for the man who had been shot but were unable to save him, and he died at the scene. The deceased man was identified as 42-year-old Colter Jake Vaught of Sayre.

Manning said the two men knew each other and reportedly had an ongoing dispute. Manning said Beckham County deputies had received a report a few weeks ago that Hays had gone to a residence where Vaught was and had engaged in a verbal altercation.

"OSBI is assisting us with the investigation of this shooting," Manning said. "We are obviously in the very early stages, but their agents and technical analysts and my detectives are working together to ensure as thorough an investigation as possible."

Merritt Road was closed to all traffic near the scene for several hours Thursday as investigators and crime scene technicians searched for evidence and processed the scene. "We're grateful to our partners at Elk City PD for their quick response, and to OHP for their help in securing the scene and helping us redirect traffic," Manning said.

Hays is currently in custody at the Beckham County Detention Center facing a criminal complaint of First Degree Manslaughter. A judge has denied bond for Hays at this time.
