Added hazards for young cattle

I was talking to a veterinarian the other day, and he said many cattlemen do not realize how many of their cattle die from swallowing twine off round bales or from eating plastic bottles.

He said, "I have posted a lot more than you would think." Often, a rancher will just say, "I don't know what happened," or he will blame it on hardware. I remember my Dad saying that often when a farmer had a trash or junk pile a calf would find an old toothpaste tube, chew on it and would often swallow it. I have pulled string or twine out of a calf mouth several times. My mission now is picking up twine in pastures and sometimes roadside, and often some of that has been half buried for years.

President Donald Trump made some tariff threats that seemed to have gotten the world's attention. The ones against Trump are saying he is an absolute idiot, and it will raise the prices on a lot of things. The ones for Trump are saying he is just making those threats for strategy to get some necessary changes.

Most of us realize there need to be some changes, but we just hope that it doesn't affect our situation that much. Whatever the case, fasten your seat belt. There will be some changes. Or if you are riding a horse, don't get bucked off.

My wife and I and my mother-in-law went to the Holy Land. While we were there, my mother-in-law died. The undertaker said it would cost \$5,000 to ship her body home, or we could bury her there for \$150. I said I want to ship her home. He said why on earth would you spend \$5,000 to ship her home, and it would be nice to have her buried in the Holy Land and only cost \$150. I said 2,000 years ago a man died, was buried, then rose from the grave. I just can't take that chance.

Editor's note: The views expressed here are the author's own and do not represent the view of High Plains Journal. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.

Oklahoma Peanut Commission seeks National Peanut Board Nominees

Weatherford, OK – The Oklahoma Peanut Commission seeks eligible peanut producers who are interested in serving on the National Peanut Board. Oklahoma Peanut Commission will hold a nominations election to select two nominees each for member and alternate to the National Peanut Board immediately following the Oklahoma Peanut Expo on April 3, 2025. The Expo and nomination meeting will be held at the Stafford Air & Space Museum located at 3000 Logan Road, Weatherford, OK. The meeting is scheduled to begin at 9:00 AM, CST. All eligible peanut producers are encouraged to participate. Eligible producers are those who are engaged in the production and sale of peanuts and who own or share the ownership and risk of loss of the crop.

Mark DeLeon of Erick, Oklahoma is the current Oklahoma National Peanut Board member and Les Crall of Weatherford, Oklahoma serves as the alternate. The term for the current Oklahoma board member and alternate expires Dec. 31, 2025.

USDA requires two nominees from each state for each position of member and alternate. The National Peanut Board will submit Oklahoma's slate of nominees to the U.S. Secretary of Agriculture, who makes the appointments.
About the Oklahoma Peanut Commission

The Oklahoma Peanut Commission promotes and supports peanut production in Oklahoma and educates the public on the nutritional value of peanuts. The mission of the Oklahoma Peanut Commission is to "enhance the viability of the Oklahoma peanut industry through promotion, education, and research efforts."

About the National Peanut Board

The National Peanut Board represents all USA peanut farmers and their families. The mission of the Board is to improve the economic condition of USA peanut farmers and their families through compelling promotion and groundbreaking research.

Sedation Dentistry Calms Fears...
Take a *pill* and *snooze* through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

Custer County Sheriff's Office Investigation Leads to Arrest in Child Exploitation Case

February 14, 2025 - Custer County, OK – The Custer County Sheriff's Office, in collaboration with multiple law enforcement agencies, has made an arrest following a detailed investigation into child exploitation.

According to a press release, on December 15, 2024, deputies launched an investigation after receiving a cyber tip from the National Center for Missing & Exploited Children. The tip indicated that a suspect had uploaded child pornography to the social media platform KiK. Through extensive cyber search warrants, authorities identified 23-year-old Weatherford resident Joel Salcido as a suspect.

A search warrant was executed at Salcido's residence on February 11, 2025. During the search, investigators seized multiple cell phones, which were later found to contain obscene materials. As a result, Salcido was arrested and charged with Distributing Child Pornography and Violating the Oklahoma Computer Crimes Act. He is currently held in the Custer County Jail on a \$100,000 bond.

The investigation remains ongoing, and at this time, authorities do not believe any of the victims are local children.

Assisting the Custer County Sheriff's Office in the case included the Oklahoma State Bureau of Investigations (OSBI), Weatherford Police Department, and Kingfisher Police Department.

Weatherford Man Arrested for High-Speed Chase Through Custer County

February 13, 2025 - Weatherford, OK – A Weatherford man has been arrested and charged with felony eluding and reckless driving after leading police on a high-speed chase that exceeded 100 miles per hour through Custer County.

According to court documents, 22-year-old Johnathan Alexis Soto was spotted by Weatherford Police on the evening of February 2. The officer observed a black 2017 Chevrolet Camaro convertible with dimmed tail lights and a brake light violation traveling westbound on I-40. When the officer attempted to pull the vehicle over, the driver instead accelerated onto Jim Cobb Road, initiating a dangerous pursuit.

During the chase, Soto allegedly drove recklessly, weaving through traffic and nearly causing collisions. The pursuit continued through multiple roads, including Lyle Road and Lawter Road, before the officer lost sight of the Camaro near county road 2440 and county road 950.

Investigators were able to track the vehicle back to an address on W. Daniel Street in Weatherford. When officers made contact with a resident, they learned that Soto was the primary driver of the vehicle. Initially, Soto denied involvement, claiming he had been at a friend's house in Hydro. However, when confronted with inconsistencies in his story, he reportedly admitted to running from police, stating, "I like the thrill of it."

Soto was arrested and taken into custody without further incident. He faces charges of Endangering Others While Eluding a Police Officer, a felony, and Reckless Driving, a misdemeanor. His bond was set at \$10,000. He is scheduled to appear in court later this month.

Two More Victims ID'd in Jackson Co. Crash

February 12, 2025 - Officials have identified two more victims of the tragic two-vehicle collision that occurred last Thursday near Duke.

According to the latest information released by the Oklahoma Highway Patrol, the driver of the 2021 Ford Expedition has been identified as 55-year-old Sherri J. Sexton of Gould and the passenger as 64-year-old Gilbert C. Davis, also of Gould.

Troopers say the pair died in the crash.

According to the Oklahoma Highway Patrol, the crash occurred near the intersection of U.S. 62 and South County Road 194, approximately three miles east of Duke, when, for an unknown reason, the Expedition and a 2018 Ford Focus collided.

Troopers said the driver of the Ford Focus, 36-year-old Landreth J. Emswiler of Mountain Park, a 17-year-old female, and an 11-year-old passenger were all pronounced deceased at the scene.

An 8-year-old male passenger remains hospitalized in Oklahoma City.

Troopers say the cause of the collision remains under investigation. Authorities have not released further details regarding contributing factor
