Can higher beef prices stay?

By: Jerry Nine – Woodward, Okla

I had several cattlemen tell me several days ago that we are not done going higher with the cattle market.

I'm not sure if they were judging by the numbers. Often, I have been where cattlemen build their faith on what they hear others say. That not only happens when cattle prices go up, but it also happens when prices go down. Whatever the case these cattlemen were right this time—so far anyway. I hear some say we will go to \$220 on fat cattle and \$300 on feeders or get close. Do not take that information like it will definitely happen because there are lots of factors out there right now. And if they were that smart they should have been buying August fat cattle futures because it wasn't more than 10 days ago they were at \$190 per hundredweight.

Most all feeders going into the feedlot had a breakeven of \$200 per hundredweight. With a tariff war going on between the United States and other countries and lots of wars across the world who knows. I hope we have established new beef level prices and when it falls

it doesn't fall to an extreme low level. The preacher Sunday said when his kids were teenagers and running around with their friends and also when they left on a date he reminded them as they left the house to remember you are only a few seconds away from making a decision that can alter or change their life completely.

I thought that was great advice. He said often pride comes before a fall. Satan cannot stop a movement of God, but he can give it a negative label to turn people against it.

I read two signs posted beside each other. The first sign read "You Matter" with the word Matter below. The next sign said, "Don't Give Up" with the words Give Up below. So you could easily read that as one sign that said, "You don't matter give up."

A friend of mine is a policeman in Oklahoma City. He radioed to dispatch and said there is a suspect that is dancing naked through the streets here in Bricktown. The dispatcher radioed back and said, "Copy That." He responded, "I'll try but I'm not that much of a dancer."

A husband came home from work and asked his wife—"Why isn't the house clean if you are here home all day?" The wife replied, "Why aren't we rich if you work all day?"

Editor's note: The views expressed here are the author's own and do not represent the view of High Plains Journal. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.

Sedation Dentistry Calms Fears...
 Take a *pill* and *snooze* through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

Wildfire Update: 840 Road Fire and Camargo Fire

March 21, 2025 – After a week since their ignition, fire crews are still battling wildfires in western Oklahoma.

840 Road Fire- The 840 Road Fire, spanning Roger Mills and Dewey Counties, has burned approximately 27,855 acres and is currently 70% contained. Firefighters have made significant progress in establishing control lines, but challenges remain due to dry conditions and variable winds. Residents in nearby communities are advised to stay alert and follow any evacuation orders promptly.

Camargo Fire- In Dewey County, the Camargo Fire has consumed about 6,075 acres and is 60% contained. Fire crews continue to work diligently to increase containment, focusing on protecting structures and mitigating the fire’s spread. The public should remain cautious and adhere to guidance from local authorities.

State of Emergency and Fire Weather Conditions- Governor Kevin Stitt has declared a State of Emergency for twelve Oklahoma counties, including Roger Mills and Dewey, facilitating the mobilization of resources to support firefighting efforts and assist affected communities. A Red Flag Warning is in effect until 7:00 PM today for most of Oklahoma. Critical to extreme fire weather conditions, including high winds and low humidity, are expected to persist, posing challenges to containment efforts and increasing the risk of new fire ignitions.

Safety and Preparedness

Residents in affected areas should stay informed through local news outlets and official channels. Heed evacuation orders and avoid fire-affected zones to ensure personal safety and allow emergency responders to perform their duties effectively.

Please note: The information provided is based on the latest available data as of March 21, 2025, and is subject to change as new reports come in.

Final Sale of Champions at Jim Norick Arena Caps Off Historic 2025 Oklahoma Youth Expo

March 24, 2025 – Oklahoma City, OK — After 60 years of tradition, the Jim Norick Arena saw its final curtain call Friday night as the 2025 Oklahoma Youth Expo wrapped up with the iconic Sale of Champions.

This year’s sale featured 213 of the top market animals shown throughout the week and brought in an impressive \$1.4 million, all going to the hardworking 4-H and FFA members from across the state.

Among the evening’s biggest headlines was Canute’s Sayde Allen, who owned both the Reserve Grand Champion Market Lamb and the Grand Champion Market Goat. OYE officials sold both of her animals together as one lot. The result: a winning bid of \$25,000, thanks to support from McDonald’s, Bank of Western Oklahoma, Diamond Hats, Pfeiffer Farms, and the Oklahoma State Fair.

The Bronze Market Lamb was shown by Sayde’s little sister, Layne Allen of Canute 4-H, and her lamb was purchased by Boot Barn, Oklahoma Ford Dealers, and Bank of Western Oklahoma for \$7,500.

The Allen sisters—Sayde and Layne—were a force all week. Sayde claimed the top goat spot Thursday night, and Layne earned the Bronze Medallion for the third-best goat in the show.

Alva Woman Killed in Crash North of Foss

March 21, 2025 – Custer Co., OK – A two-vehicle crash claimed the life of an Alva woman Wednesday night in Custer County. The Oklahoma Highway Patrol says the wreck happened around 8:14 p.m. on March 20, about 3.5 miles north of Foss, at the intersection of OK-73 and OK-44. Troopers say 82-year-old Martha L. Clem of Camargo was driving a 2019 Ford Edge westbound on OK-73 when she failed to stop at the T-intersection. The SUV left the roadway, went airborne, struck a ditch, became airborne again, and came to rest in a nearby field.

Clem was taken to OU Medical Center in Oklahoma City by Sinor EMS. She was admitted in stable condition with injuries to her arm, trunk, and leg. Her passenger, 81-year-old Shirley A. Pitts of Alva, was also transported to OU Medical but was pronounced dead by hospital staff.

Troopers said both women were wearing seatbelts at the time of the crash. The cause was listed as unsafe speed for the curve. The driver was reported to be in apparently normal condition.

Take The Custard Quiz

What is Custard?

- The General who died at Little Bighorn
- Mustard's less tangy cousin
- The County that Clinton & Weatherford are in
- The frozen dessert that's smoother, richer, & Creamier than Ice Cream

Find the correct answer at **66 To Go**,
West of Hutch's West Side in Elk City
