Tariffs winding their ways into markets

By: Jerry Nine – Woodward, Okla.

Tariffs! Most on the left are screaming, "What an idiot!" And quite a few on the right are saying, "I support what the president is doing as long as it doesn't affect my pocketbook."

Well guess what. You never make big changes on trade that doesn't disrupt the markets. China is the master on manipulation. And ruthless when it comes to his own people, in my opinion. Look on the back of every item in your house or if you go to shop this week and see how many items say made in China.

I'm not against that country, but I am against a country that uses his people as slaves to control the world market. As for Mexico and Canada, I say get control of drugs and fentanyl coming to the United States. It's not that the people of these countries are bad it's about the influence of gangs. I, too, do not want to take less for my cattle as I have several fat cattle to sell in the next six weeks.

I had one pen of fat cattle that were grid on a market based at \$209.87 and brought back \$220 per hundred-weight. They graded 97% choice and prime. Four head were dark cutters and four were too old but yielded \$65.95. I asked the feedlot operator—"Were they gaunt when you weighed them?" He said, "No." They went into the feedlot at 620 pounds and were fed for 214 days. I hate to disappoint some of you, but the cattle were mixed colored. I told a friend of mine this story as his are extremely nice cattle and he knows what mine normally look like and I said, "You just need to handle better cattle."

I just figured out how I am going to die. My boys will unplug my life support just to plug in their phone.

I learned a long time ago that being a man is hard. We have no wigs, no makeup, no extra-long eyelash extensions and no nail paintings. If you are ugly—you are just ugly.

The best friendships for guys are built on a solid foundation of alcohol, sarcasm, pranks, same ex-girlfriends and a dislike for the same people.

Today's 3-year-olds can turn on laptops, use apps and fix the remote. All I could do at 3 was eat mud.

Editor's note: The views expressed here are the author's own and do not represent the view of High Plains Journal. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.

California Men Arrested in Custer County on Drug Trafficking and Theft Charges

April 14, 2025 - Custer County, OK – Two men from California were arrested following a theft investigation at the Weatherford Walmart that led police to uncover heroin, cocaine, psilocybin mushrooms, and drug paraphernalia inside a semi-truck. Jagatjit Singh Virk, 37, of Bakersfield, was taken into custody on April 4, 2025, after officers responded to a report of a man loading stolen merchandise into a semi-truck parked behind Walmart. A traffic stop was conducted shortly after on I-40 eastbound. Police identified Virk as the driver and Jagdeep Singh as the passenger.

During the search of the semi, officers discovered stolen goods from Walmart valued at \$155.56 along with several controlled substances, including 11.8 grams of heroin, 1.42 grams of cocaine, and 1.17 grams of psilocybin mushrooms. Officers also found foil with burnt residue and CO2 cartridges.

Virk has been charged in Custer County District Court with:

- Trafficking in illegal drugs (heroin)
- Possession of controlled dangerous substances (psilocybin and cocaine)
- Possession of drug paraphernalia
- Larceny of merchandise from a retailer

Jagdeep Singh was also charged in Custer County District Court with:

- Aggravated trafficking in illegal drugs
- Possession of a controlled dangerous substance (misdemeanor)
- Possession of a controlled dangerous substance (misdemeanor)
- Unlawful possession of drug paraphernalia (misdemeanor)
- Larceny of merchandise from a retailer (misdemeanor)

According to police, both men gave conflicting stories about their relationship and the stolen items. Officers say the heroin was found in a form consistent with trafficking, and Virk initially identified the substance as opium before testing confirmed it was heroin.

Bond for Virk was set at \$75,000. Both men remain in custody pending further court proceedings.

Elk City Announces Free Spring Cleanup Week at Municipal Landfill

April 14, 2025 - Elk City, OK – Elk City residents can take advantage of free dumping at the Elk City Municipal Landfill from Monday, April 28 through Saturday, May 3, 2025, as part of the city's annual spring cleanup effort.

To participate, residents must show a current Elk City water bill. Only residential waste is accepted for free—roofing, remodeling, and commercial materials are not eligible. All loads must be secured with tarps, ties, or bags, and commercial accounts do not qualify.

This year, the city will accept vehicle tires only, with specific restrictions. Tires must not be on rims and must be 20 inches or smaller. Industrial or agricultural tires, such as those from tractors or heavy equipment, will not be accepted. A current water bill is also required for tire disposal.

For those unable to haul items themselves, curbside pickup will be available the following week, from Monday, May 5 through Friday, May 9. Elk City residents may schedule pickup of up to two items per household by calling 580-225-1414 before 5 p.m. on Friday, May 9.

Two Ringling Residents Killed in Rollover Crash Near Sweetwater

April 10, 2025 - Sweetwater, OK — A fatal crash claimed the lives of two Ringling residents Thursday afternoon near the intersection of OK-6 and N 1770 Road, about five miles east of Sweetwater.

The Oklahoma Highway Patrol reports the crash occurred at approximately 12:30 p.m. on April 10, 2025. A 2001 Ford Ranger driven by 77-year-old William M. Pierce was traveling westbound when he attempted to pass a semi-truck. During the pass, an oncoming vehicle crested a hill. Pierce tried to return to his lane, but lost control. The vehicle left the roadway, rolled once, and ejected the passenger.

Pierce was pronounced dead at the scene. His passenger, 73-year-old Blenda Lea Pierce, was airlifted to Great Plains Regional Medical Center in Elk City, where she was pronounced deceased.

Authorities listed the condition of the driver as "apparently normal." The crash was attributed to improper passing. Neither occupant was wearing a seatbelt at the time.
