## A Mother's Worth: Just a Scoop Full of Love

by: Jerry Nine – Woodward, Okla.

She's the secretary and the nurse. She will not buy herself anything just to make sure you're in style and she's not. I want to tell Dad how much I appreciated her. She's the one that sacrificed her appearance to give you life. She's the truck driver headed to the cattle sale.

She has a towing service when Dad got stuck in the mud and someone should have hollered the mud was this deep. Cause he was counting the cattle. She is the veterinarian cause the calf is sick and the only one on the farm. She's a cheerleader and the loudest at the game cause you just scored. She's the one that does her best to teach you manners when it seems a hopeless cause. She's an alarm clock.

She's the one that will let you bend the rules—just don't tell your Dad. She might as well have been a preacher cause she has said more prayers for you than you will ever know. I wish I had one more chance to tell my Mom how much I appreciated her.

And if she can hear me now, I just want to say **I love you Mom.**

*Editor's note: The views expressed here are the author's own and do not represent the view of High Plains Journal. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.*

Happy Mother's Day. God knew what he was doing when he created a Mom.

She's the one person you can count on when no one else will stand up for you. She always gives you the benefit of the doubt. She will fix you dinner when she's just as tired as everyone else sitting in the living room. Voices hollering "Mom, when will dinner be ready?" She will wash your clothes at 11 PM when you just told her you have a football game tomorrow and your jersey is dirty.

She's the bus driver. She's the coach. She's the doctor. She's the nurse. She's the cheerleader. And sometimes the mechanic. She runs a laundry mat and sees psychiatrists. She's the hired hand plus all income. She fights the most real battles for you.

She gives you all of her joy and happiness and sometimes her sadness—because life is tough. Dad is grinning in the corral. She is the one person that wants you to have a much better life than she had. She will eat the least favorite chicken just so you can have a couple of your top pieces. She's the one that will shed a lot of tears long after you are asleep because you were unkind.

## Elk City Chamber Secures Over \$200K for Route 66 Revitalization Project

May 1, 2025 - Elk City, OK - The Elk City Chamber of Commerce has been awarded more than \$200,000 through the Route 66 Revitalization Grant Program, aimed at preserving and enhancing one of Elk City's most recognizable landmarks—Parker Drilling Rig 114.

The funding, part of a broader initiative across Oklahoma communities along the historic Route 66 corridor, will support a comprehensive site improvement plan. The project will include:

- New lighting and uplighting
- Landscaping enhancements
- Painting and equipment restoration
- Digital signage with historical and educational content
- Parking improvements
- Benches and trash receptacles to improve the visitor experience

This investment ensures that Parker Drilling Rig 114—an enduring symbol of Elk City's oil history and frontier spirit—continues to serve as a proud destination for future generations.

The grant is part of a statewide push to breathe new life into iconic Route 66 locations.

In a press release, Chamber leaders expressed their gratitude for the grant and also thanked SWODA Grant Writer Lisa Church for helping facilitate the grant application.

The Chamber also extended its thanks to the Oklahoma Department of Commerce and all stakeholders involved in securing the grant, and they plan to keep the public updated on progress as improvements move forward.

Last week, the Town of Canute was also recently awarded nearly \$700,000 in revitalization funding to support upgrades along its stretch of Route 66.

## Oklahoma Legislature Passes HB 1732, Empowering Schools to Broadcast Their Own Athletic Events - Awaits Governor's Signature

May 1, 2025 - Oklahoma City, OK — On April 30, 2025, the Oklahoma Legislature passed House Bill 1732, a measure that affirms the right of public schools to broadcast their own athletic events, including pre-season, regular season, and playoff games. The bill, authored by Representative Anthony Moore (R-Clinton) and Senator Casey Murdock (R-Felt), received unanimous support in both the House and Senate and is now awaiting the governor's signature.

HB 1732 specifically prohibits the Oklahoma Secondary School Activities Association (OSSAA) from entering into exclusive broadcasting agreements that would prevent local schools or broadcasters from airing games in which their teams participate. This provision ensures that schools and local media outlets retain the ability to share their athletic events with the community, regardless of broader OSSAA contracts.

The bill is set to take effect on July 1, 2025, and includes an emergency clause, highlighting its immediate importance for public interests. According to the Senate Fiscal Summary, the legislation is not expected to have any fiscal impact on the state budget.

The bill now heads to Governor Stitt's desk.

## One Dead, Two Injured in Early Morning Rollover Crash on I-40

May 1, 2025 - Wheeler County, TX — A single-vehicle crash early Wednesday morning on Interstate 40 claimed one life and left two others injured, according to the Texas Highway Patrol.

The crash occurred at approximately 3:39 A.M. on May 1, 2025, about 2.7 miles east of Shamrock. A 2020 Ford Explorer was traveling westbound when it left the roadway, entered the center median, and struck a concrete emergency turnaround barrier. The

impact caused the vehicle to go airborne. Upon landing, it entered a side skid and rolled.

The driver, 57-year-old Chesley Isom of Lafe, Arkansas, was wearing a seatbelt and sustained non-life-threatening injuries. He was transported to Amarillo Northwest Texas Hospital.

One passenger, Verda Isom, 56, also of Lafe, was not wearing a seatbelt and was pronounced dead at the scene due to injuries sustained in the crash.
