No grass. No water. No plans.

by: Jerry Nine – Woodward, Okla.

Cattle futures on Monday were sharply lower, with feeders slipping up to \$2.50/cwt and fats mostly \$1.50 to \$2.92/cwt. Last week, fat cattle traded at \$228 to \$230/cwt. Texas, Oklahoma, and Kansas sold with Nebraska trading at \$233/cwt. If it happens, it happens. If not, we'll wait. It wasn't long ago we talked about \$3 per pound fat cattle, which probably never happened and may never. But we've been open to a lot more "weird" the last few years. I've said it sounds dry, but where it seems it's the greenest is the western half of the United States. Arizona was 119° and dry. A man near Buckeye told me it was so dry it wasn't fit to eat cactus. Or a green bush. Mostly sand. Nothing lives. A beef cow or native type wouldn't survive. No grass. No water. No plans. Land is never fortunate to get a couple of inches of rain. This week I've been spraying bindweed and old wheat. Flies and blind weed are crawling, but the cattle have done very well.

Dad's uncle used to tell him, "When he was a kid, that ain't looked good on everything but a woman." I believe I have seen plenty of men that fall off a lot. Not very good on them either. There seems to be a lot of optimistic people in the cattle business. We hear more about "runs a little bit off" that have made good money when all the while they were buying high. It seemed like to me a little easier. The stocker operators are acting like a kid in a life candy store. If they have money in their pocket, they are going to spend it. In Texas, where the floods were, I have seen posts and heard acts of kindness I haven't seen on the radio in a long time. Most have a friend in need. People who are unhappy might try quitting thinking about themselves and thinking of others. They would soon be a lot happier. Yesterday my sister gave food to a homeless man. Today he came to her house and gave her a recipe book.

My older sister and her husband took her 2 kids and their 2 grandkids on a trip to Florida to the beach. They were driving home on Monday and I texted her and asked, "Are you almost home?" She said yes, but 16 hours is a long time to ride in the car. Me being the agreeable person I am, of course I said yes. But then added the words: "Yes. That would be a long trip with any of you."

Editor's note: The views expressed here are the author's own and do not represent the view of The Penny News. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.

Beckham County Sheriff Urges Caution After Gun Stolen From Unlocked Vehicle

July 7, 2025 • Beckham County, OK — Beckham County Sheriff Derek Manning is reminding residents to lock their vehicles and remove valuables after a pistol was recently stolen from a rural area. "In this part of the country, and we're all guilty of it, people leave tools, weapons, all kinds of stuff in their vehicles, especially pickups," Manning said. "But we had at least one firearm stolen out in the rural area this week." Manning said details of the incident are still being gathered, including whether the suspect broke into the vehicle or simply opened an unlocked door. Either way, he said it's a good time to be vigilant.

"Just a reminder to folks that there are people out there driving around," he said. "If you have vehicles that are kind of sitting in an exposed area, they're not locked in a garage or something, take some extra time to make sure you've got the valuable stuff out that you would mind if somebody took." Manning shared a personal example, noting that while he doesn't mind losing a basic tool, he takes extra care with sentimental items. "I try not to leave what I call 'legacy tools' in there—things that my grandpa had or my dad had," he said. "I try not to leave them in unlocked compartments. I've got locked toolboxes and things like that that I can secure them in."

With warm weather making it easier for would-be thieves to scout for easy targets, the sheriff said residents should think twice about what they leave in their vehicles. "It's nice weather. Nobody's scared to be out in this kind of weather. So they're out looking around for opportunities," Manning said.

Candidate Filing Begins for Board of Education

July 8, 2025 • Beckham County, OK — Those who wish to file for a Board of Education office must submit a Declaration of Candidacy to the Beckham County Election Board July 28th, 29th or 30th, between the hours of 8 a.m. and 5 p.m. Candidate filing packets are available on the State Election Board website at

<https://oklahoma.gov/elections/candidates/candidate.filing.html> and at the County Election Board.

In addition to the Declaration of Candidacy, candidates must also submit a Voter Registration Verification Form, which can be obtained from the County Election Board or by logging into the OK Voter Portal at <https://oklahoma.gov/elections/ovp.html>. Information on the Voter Registration Verification Form must match the information provided on the Declaration of Candidacy. Sherron Manning, Secretary of the Beckham County Election Board, reminds candidates that Contests of Candidacy must be filed no later than Friday, August 1st by 5 p.m. and may only be filed by another candidate for that office. Contests against unopposed candidates may be filed by contacting the County Election Board.

If more than two candidates file for the same Board of Education seat, a Special Election will be held Tuesday, September 9th. If one candidate receives more than 50% of the votes, that candidate will be named the elected official. If only one candidate files then they will automatically receive appointment of office. Declarations of Candidacy will be accepted for the following offices:

Erick School District, Office No. 5

For more information, contact your County Election Board office at 580-928-3314 or beckhamcounty@elections.ok.gov. The Beckham County Election Board is located at 306 E. Main St., Sayre and is open from 8:00 a.m. to 2:00 p.m., Monday through Friday.
