Farmers primed to plant wheat

by: Jerry Nine – Woodward, Okla.

wheat. I wish all mine was planted as I am going for pasture only. Monday morning some places were still too wet to start planting, but a sandy place I have we got started again. It isn't often that Sept. 1 for our area that we can say it's too wet.

A friend who also runs cattle sent me a text last night that read, "On NS 158 EW 27 there is a calf on the highway." Well, I know the numbers of my address, but I have no idea where that could be. So I said, "Is that by Woodward?" She said, "No it's by Laverne." I still have no clue, which a lot of people would say that about me. The two of us tease each other a lot.

I said, "Was the calf a blue roan with a dot on eye-eye kinda short with a crooked head that limps a little?" I knew she would shoot back a text of some smart answer, but instead she said, "No it was a black baldie they said I wasn't there." So again I said, "Did the black white face have a black dotted eye and kinda pop-gutted, but would make a good bull except he is a steer?" Finally, she came to her usual self. She said, "Yes and it had one ear down and a swollen joint on the front right leg." I said, "Oh yes then it is mine." She said, "I am sure it is as I can see the resemblance."

Editor's note: The views expressed here are the author's own and do not represent the view of The Penny News. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.

I was visiting with this couple who are friends of mine and they also run cows and calves. As they were telling the story both were light-hearted and laughing.

She said, "Well we went out to the corral this morning and I said to my husband I might as well go out ahead of you so you can start hollering at me." She said, "So I get out there by a gate, but keep in mind there are five gates and he said, 'open the gate!'" She said, "Which gate?" Then he joined the conversation, "I said the gate you are standing by."

You know how we dads and husbands are we want you to read our mind, that is unless a good-looking woman walks by and then it's probably better that you don't.

Our area received excellent moisture this past week putting us in excellent shape for planting

WHITE DENTAL CARE

Drs. Mori & Teri White, DDS

Sedation Dentistry Calms Fears...

Take a *pill* and *snooze* through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

OSIDA Space Education Grant Now Accepting Applications

September 1, 2025 • Burns Flat, OK – The Oklahoma Space Industry Development Authority (OSIDA) is now accepting applications for the Space Education Grant. Educators and program leaders have until September 22 to apply for funding aimed at supporting innovative space education activities and projects.

The grant offers opportunities to bring space concepts to the youngest learners or to provide resources for high school and collegiate programs. With the short application window, officials are encouraging interested applicants to act quickly.

Applications can be accessed by scanning the QR code provided, clicking the image in announcements, or visiting the application link directly: OSIDA Space Education Grant.

Purple People Eater Fest Returns to Erick Sept. 26-28

August 22, 2025 • Erick, OK — Erick is about to turn purple again. The annual Purple People Eater Fest is set for Friday through Sunday, September 26-28, 2025, celebrating hometown legend Sheb Wooley and his famous novelty hit, “Purple People Eater.” The three-day festival will bring together live music, food, vendors, parades, and plenty of small-town fun for all ages.

Friday, Sept. 26 – Kickoff in the Country

Festivities begin Friday evening with the Party in the Pasture at 7 p.m. at the 6-C Ranch, located at 12194 N. 1750 Rd. The event will feature old-fashioned bull bucking, mutton bustin’, full concessions, and live music from a featured band.

Saturday, Sept. 27 – Shine, Show & Shindig

Saturday kicks off with the Purple Parade at 10 a.m., followed by Wooley’s Bazaar Craft & Vendor Show from 11 a.m. to 6 p.m. Car lovers can enjoy the Purple Motor Eater Car Show* from 1 to 4 p.m. The day wraps up with Sheb’s Shindig at 8 p.m., featuring live music from Matt Moran & The Palominos. The event is free, beverages will be served, and coolers are welcome (no glass containers).

Sunday, Sept. 28 – FUNday Wrap-up

The Erick Fire Department will host a pancake breakfast fundraiser at 8 a.m., closing out the weekend with food, fun, and community fellowship. Organizers say the Purple People Eater Fest is all about celebrating local heritage with a splash of color and a lot of fun.

For more information, contact the City of Erick at (580) 526-3924 or cityclerk@erickok.gov.

Amarillo Man Involved in Rollover Crash on I-40 in Beckham County

September 1, 2025 • Beckham County, OK – A 22-year-old Amarillo man escaped injury after a rollover crash Sunday morning on Interstate 40 in Beckham County, according to the Oklahoma Highway Patrol.

Troopers said the wreck happened around 7:25 a.m. on the westbound side of I-40 near mile marker 32.

Investigators report that Yareth J. Melgar Rivera, of Amarillo, was towing another vehicle when he lost control. His vehicle and the one being towed both veered off the road to the left and rolled multiple times.

Rivera was not hurt, but one of his three passengers was injured. All occupants were wearing seatbelts at the time of the crash.

No fatalities were reported, and next of kin notifications were not required.

The Highway Patrol noted the information was part of the preliminary investigation and could be subject to change.
