Cattle Market At A High

by: Jerry Nine – Woodward, Okla.

brought \$2,671.00 and 11 black steers weighing 734 brought \$2,752.00. The higher were only weaned 45 days and smaller 75, but for \$81.00 you got 230 more pounds.

Remember you can't reach tomorrow's promise while clinging to yesterday's pain.

I went to Spain on vacation and I saw a sign that said English speaking doctor. I thought to myself that it was a great idea. We should have that in America.

I was in a sports bar the other night with a friend who looks like he's going to be us in 10 years. He said that's a mirror you idiot it is us.

Editor's note: The views expressed here are the author's own and do not represent the view of The Penny News. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.

Sedation Dentistry Calms Fears...
 Take a *pill* and *snooze* through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

Sheriff Warns Public About Phone Scam Targeting Families of Recent Arrests

January 26, 2026 • Sayre, OK – Beckham County Sheriff Derek Manning is warning residents about a scam targeting families shortly after an arrest is made.

According to Manning, scammers are using publicly available arrest information to contact family members and falsely claim to be calling from the sheriff's office. In several reported cases, callers demanded money for bail bonds or claimed payment was needed for an ankle monitor to secure an inmate's release.

"We do not solicit money over the phone," Manning said. "We don't take payments over the phone for bail

bonds, and ankle monitors are handled through the courts, not by phone calls from our office."

Manning said the scam has been reported at least twice in Beckham County, with similar incidents occurring in surrounding counties. In some cases, callers pressured families to act quickly, a common tactic used in financial scams. The sheriff urged residents to slow down, remain cautious, and verify any suspicious calls. Anyone who receives a call requesting payment while claiming to represent the sheriff's office should hang up immediately and contact the department directly using a known phone number.

Investigators are currently following up on the most recent report. Manning noted that many of these scams originate overseas, making prosecution difficult. However, if the individuals responsible are located within the United States, charges may be possible. "We're actively working the case," Manning said. "But the most important thing is for the public to know this is not us. We are not going to ask you for money over the phone."

Residents with questions or who believe they may have been contacted by scammers are encouraged to report the incident to the Beckham County Sheriff's Office.

Winter Storm Brings Widespread Snow to Western Oklahoma

January 26, 2026 • Norman, OK – A winter storm that moved through Western Oklahoma over the weekend delivered a wide range of snowfall totals, with several communities picking up significant accumulations.

According to preliminary estimates from the National Weather Service in Norman, snowfall amounts generally ranged from 2 inches in the far southwest to more than a foot in parts of northwestern Oklahoma.

The heaviest snowfall in the region was reported in Sayre, which measured 14 inches. Nearby areas saw Weatherford officially receive 8 inches, while Woodward and Altus each reported 6 inches of snow.

Data indicates that much of Beckham County received the highest snowfall totals in the state, with amounts ranging from 12 to 18 inches.

Forecasters note these totals are estimates based on reports received through early afternoon on January 25, and localized variations are possible. Snowfall impacts included slick roads, travel delays, and school and event disruptions across much of the region.

Residents are encouraged to continue monitoring local forecasts and road conditions as cleanup efforts continue across Western Oklahoma.

Early voting set for Merritt school bond election

January 22, 2026 • Sayre, OK – Early voting for the Merritt Public Schools bond election will begin Thursday, Feb. 5, according to the Beckham County Election Board.

Early voting will be held Thursday, Feb. 5, and Friday, Feb. 6, from 8 a.m. to 6 p.m. at the Beckham County Activity Center, also known as the Fair Barn, at 310 E. Main St. in Sayre. Early voting is not available at polling places on Election Day.

Beckham County Election Board Secretary Sherron Manning said early voting is open to all eligible voters and does not require an excuse. The option is available for all county and state

elections and is intended to provide flexibility for voters who may be unable to vote on Election Day or wish to avoid long lines.

The election involves a bond proposal for Merritt Public Schools Independent School District No. 002. The proposition asks voters to approve the issuance of \$28,530,000 in bonds to fund construction, equipment purchases, repairs, and remodeling of school buildings, as well as the acquisition and improvement of school sites. The proposal also authorizes the levy of an annual tax to pay interest on the bonds and create a sinking fund for principal repayment.

According to the sample ballot, the bonds would bear interest at a rate not to exceed 10 percent per year, payable semiannually, and would mature within 10 years of issuance. Voters will be asked to vote either for or against the proposition.

Election Day is Tuesday, Feb. 10, and only registered voters living within the Merritt School District are eligible to vote.

For more information, contact the Beckham County Election Board at 580-928-3314 or by email at bechamcounty@elections.ok.gov.
