War Jitters, Falling Cattle, and Hard Truths

by: Jerry Nine – Woodward, Okla.

potential profit could be? You better not owe a lot of money to the bank and your pasture bill has already been paid or you better buy yourself a red ink pen.

My mother in law came over for dinner and said “Why does your dog keep looking at me?” I said, “because you are using his plate.”

A man brings his best buddy home for dinner unannounced at 7:30pm after work. His wife begins screaming at him and his friend sits and listens. She said my hair and makeup are not done. The house is a mess, the dishes are in the sink. And I can’t be bothered with cooking tonight. Why did you bring him home? The husband said, well he was thinking about getting married life is all about.

Editor’s note: The views expressed here are the author’s own and do not represent the view of The Penny News. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family’s ranch near Slapout, Oklahoma.

Right now we have a lot going on in our world. With the bombing of Iran this has raised the price of gas and oil, and also put some fear in traders and some cattlemen for the unknown of what to expect. But when you have a dictator from Iran that openly said “Death to America”, then if you do not think he would gladly nuke the United States with a nuclear bomb then I will have to tell you that you are very naive. One man said at breakfast, “Well I thought he said gas was going to be cheap. I don’t want high gas but I will gladly deal with higher gas prices hopefully for only a short time rather than have that evil dictator on this Earth.”

Our cattle market had already fallen hard last Friday and some before with war in Iran. But workers at the JBS beef plant in Greeley Colorado represented by UFCW local 7 have authorized a strike with a potential walkout possible as soon as March 16, 2026. Thus on Monday feeder futures opened \$7.00 cwt lower with fat cattle futures mostly \$4.00 cwt lower. Last week cattle auctions were definitely lower with some auctions \$5.00 to \$10.00 cwt cheaper and others \$20.00 and more. However, some correction might be healthy for the majority of cattlemen as most buyers were buying calves and feeders at a very high level. And often those going into the feedlot were looking at \$150.00 per head loss unless the market gets better. And a few grazing steers bringing \$3,000.00 per head at first cost I wondered what they thought the upside

HELP WANTED

Okie Construction & Welding, LLC has (2) Positions we are looking to fill:

CDL Heavy Haul Truck Driver

Full-Time | Competitive Pay | Overtime Available

We are looking for a skilled, dependable CDL Class A Heavy Haul Driver who knows how to move iron safely and efficiently. This position supports active pipeline construction projects across Oklahoma, transporting heavy equipment, pipeline materials, and oversized/overweight loads to keep crews working and projects on schedule.

If you have lowboy experience, understand load securement, and take pride in running safe, legal, and on-time — we want to talk to you.

Job Responsibilities

- Haul heavy equipment and construction materials to and from job sites
- Operate lowboy, step deck, and specialized heavy haul trailers
- Safely load, chain, and secure equipment
- Perform thorough pre-trip and post-trip inspections
- Maintain logs and required DOT documentation
- Work directly with field supervisors and equipment operators
- Travel throughout Oklahoma (some out-of-town work possible)
- Follow all company, DOT, and OSHA safety standards

What We're Looking For

Valid Class A CDL | Proven heavy haul/lowboy experience (pipeline or oilfield preferred) | Clean driving record | Strong knowledge of DOT regulations and load securement | Ability to work long hours when needed | Dependable, self-motivated, and safety-focused

Diesel Mechanic

Ready to put your diesel skills to work where they matter most? We're looking for a driven, safety-focused Diesel Mechanic to keep our fleet of crew trucks and heavy equipment running strong.

In this hands-on role, you'll diagnose and repair diesel engines, hydraulics, electrical and brake systems, perform preventative maintenance, respond to field service calls, and help keep operations moving safely and efficiently.

Requirements

- 3+ years of diesel mechanic experience (oil field preferred)
- Strong diagnostic skills and ability to read schematics
- Valid driver's license
- Ability to lift up to 75 lbs and work outdoors in varying condition

What We Offer

Competitive hourly pay (DOE) | Overtime opportunities | A fast-paced, team-oriented environment where your skills make a real impact

If you're dependable, motivated, and ready for a challenging and rewarding opportunity — we want to hear from you!

By Paragon News Director Jared Atha

Two Injured in Late Night Collision West of Altus

March 16, 2026 • Jackson County, OK – Two drivers were injured in a two-vehicle collision late Friday night at an intersection west of Altus.

According to the Oklahoma Highway Patrol, the crash occurred at approximately 11:06 p.m. Friday, March 13, at the intersection of U.S. Highway 62 and County Road 198, about six miles west of Altus in Jackson County.

Troopers reported that a ve-

hicle driven by 75-year-old John R. Kellison of Hollis was traveling eastbound on U.S. Highway 62 when another vehicle, driven by 70-year-old Johnny V. Hamilton of Olustee, was stopped at a stop sign on County Road 198.

Hamilton reportedly failed to yield to eastbound traffic and attempted to turn left onto the highway. Authorities say his vehicle turned in front of Kellison’s vehicle, and the east-

bound vehicle struck Hamilton’s vehicle.

Kellison and a passenger in his vehicle were both injured in the collision. Hamilton was also reported injured. All occupants involved in the crash were wearing seatbelts.

No fatalities were reported. Next of kin have been notified.

The collision remains under investigation by the Oklahoma Highway Patrol.

Two Arrested Following Oilfield Theft Investigation

March 16, 2026 • Dewey County, OK – On June 9, 2025, an Ovitiv Energy security consultant requested the Oklahoma State Bureau of Investigation to investigate a theft of oilfield equipment.

After an internal investigation by the company, it was determined that an Ovitiv Energy contract employee had stolen the equipment. The company also determined the amount of equipment stolen and the estimated value.

During the investigation, Ovitiv reviewed invoices and found where a large amount of oilfield pipe was missing from drilling sites that were supervised by 48-year-old Clyde Thompson. The used pipe removed from wells should have been transported to a storage facility or moved to another drilling location, but no records were found for the transport of pipe.

Ovitiv records further indicated that the pipe was taken from drilling sites in Dewey, Blaine, Kingfisher, Canadian, Grady, McClain, Stephens, and Garvin Counties. OSBI special agents interviewed local farmers and a steel company, who Thompson had sold the oilfield pipe to. The OSBI determined that Thompson had sold approximately 2,000 joints of pipe.

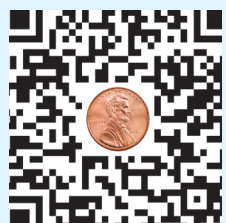

OSBI special agents also discovered that most of the pipe

missing from Ovitiv drilling sites was transported by a local trucking company, driven by 63-year-old Marvin Rogers. The OSBI interviewed Rogers, who admitted to falsifying load tickets when hauling equipment for Thompson. Invoices from the trucking company revealed that the transport of stolen pipe cost Ovitiv approximately \$43,000 in transport costs. Rogers confirmed the locations where pipe was taken, based upon his review of the load tickets he had prepared.

Based on the information and evidence obtained during the investigation, an arrest warrant was issued for both Thompson and Rogers. Both suspects were charged with Larceny of Oilfield Equipment (In Excess of \$15,000), Criminal Conspiracy, and Engaging in a Pattern of Criminal Offenses.

In March of 2026, both Thompson and Rogers turned themselves into the Dewey County Sheriff’s Office and were booked into the Dewey County Jail. This is still an ongoing investigation at this time.

The OSBI appreciates Ovitiv Energy and the Dewey County Sheriff’s Office for their continued assistance with this investigation.

SINCE 1945

When Red Angus came from Scotland to America, the Beckton family started building a better cow for the hard country of Wyoming.

Sparse pasture. Tough winters. No room for weak cattle.

They kept the herd closed. No outside bulls. No shortcuts.

Eighty years later, the results are proven.

For 25+ years Red River Red Angus has bred Beckton cattle producing only one calf ever over 70 pounds at birth.

High percentage Choice and Prime carcasses.

Up to 30% savings on pasture, feed, and hay.

Same grass. Same ground. Beckton genetics.

Up to 60% more profit.

WHITE DENTAL CARE

Drs. Mori & Teri White, DDS

Sedation Dentistry Calms Fears...

Take a *pill* and *snooze* through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

Drs. Mori & Teri White practice cosmetic, implant and family dentistry at 2802 8th Street, Woodward, OK 73801

REAL ESTATE AUCTION

Wednesday, April 8th • 10 a.m.

50598 S. County Road 215 • Mutual, OK

A very well-kept older home on 40± acres of land with a 36' x 30' barn that has horse
stalls and a loafing shed. The building has 3 stalls with outside access to the corrals.
On the west side of the corrals is a fenced grass trap for livestock. Adjoining a large
circle driveway is a 20' storage container with walk-in door. There are several trees
in the beautiful homestead setting as well as fruit trees. The land is a mild rolling type
terrain that could be planted to food plots or used for livestock grazing. Updates to
the home in the last 2-3 years are: central H/A on the ground level, 2 new hot water
heaters, new submersible pump and pressure tank in the water well, and a roof by
Moore's Roofing.

Seller: Susan Fiene, Trustee
