## Faithful in the Ordinary

by: Jerry Nine – Woodward, Okla.

We got a new employee at work today. I went over to introduce myself and welcome him to the team. During our conversation I asked him if he had ever been abroad? He said, “Nope, I was born a man”.

A man tells a priest, “I have a strong desire to live forever”. The priest replied, “Get married”. The man asked, “Then will I live forever?” The priest said, “No, but that desire will soon disappear”.

I went to a revival this past week at Church. The pastor told me that, “you will walk again”. After the service I went outside and my car was gone.

*Editor's note: The views expressed here are the author's own and do not represent the view of The Penny News. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.*

I think a lot of us have to ask ourselves particularly the older we get, what is my purpose here on Earth? During the 2009 BCS National Football Championship game Tim Tebow wore John 3:16 in black just below both eyes. This led 94 million to search the verse overnight. Three years later on the same date in his first NFL playoff game he threw for 316 yards averaging 31.6 yards per completion and the games TV rating hit 31.6 with the opposing team holding the ball for 31:06. You may write that off as an accident, but to me there is no way.

This past week Tim lost his father Bob Tebow. Years ago his parents were missionaries in the Philippines and they were praying to get pregnant but had taken some medication before that made doctors fear there would be a problem so they suggested his mom have an abortion. They refused and prayed for a healthy baby. That baby was Tim Tebow.

Isn't it interesting? I sold a pen of fat cattle last week at \$246.00 and might get more with the grade. I looked at the live cattle futures on Monday and it was almost \$251.00. Don't get me wrong, \$246.00 is good. I was told the other day that there are 10 large investors on the futures that can buy or sell enough to move the market. I really think I am one of those 10. All I have to do is invest one way and it moves the other. See how powerful I am?

## 19-Year-Old Calumet Man Killed in Caddo County Crash Early Saturday

**April 27, 2026 • Caddo County, OK** — A single-vehicle crash early Saturday morning in Caddo County claimed the life of a 19-year-old Calumet man, according to the Oklahoma Highway Patrol.

The collision occurred at approximately 2:35 a.m. on April 25 along Old U.S. 66, about 0.2 miles east of County Street 2510 and roughly 4.5 miles east of Hydro.

Troopers reported that the vehicle, driven by Langston Alan Pratt, 19, of Calumet, was traveling eastbound at a high rate of speed when the driver failed to negotiate a curve. The vehicle left the roadway on the south side before the driver overcorrected, crossing back over the road and exiting on the north side.

Authorities say the vehicle then struck a

tree and caught fire.

Pratt was pronounced deceased at the scene.

A passenger in the vehicle was injured in the crash. No additional details on the passenger’s condition were released.

Both occupants were reported to be wearing seatbelts at the time of the collision. Next of kin has been notified.

## Elk City Public Schools Honors Staff of the Year

**April 22, 2026 • Elk City, OK** — Elk City Public Schools recognized two standout employees during a professional development day last Friday, naming its 2025–2026 Support Staff and Teacher of the Year.

Superintendent Mike Sparks said the annual awards highlight individuals who go above and beyond in serving students, staff, and the community.

### Support Staff of the Year: Penny Shockey

Mrs. Penny Shockey, who handles accounts payable at the district’s board office, was named Support Staff of the Year. Sparks praised Shockey’s work ethic and willingness to help, noting she manages both activity funds and the district’s general fund, often under the pressure of audits and tight deadlines. “What makes Mrs. Shockey so special is her attitude,” Sparks said. “No matter what she’s doing, she’ll stop and help the next person. I’ve never seen her have a bad day.” He shared examples of her dedication, including coming in early on weekends to handle last-minute needs for student activities and even stepping in to purchase supplies for an FFA fundraiser when organizers ran short. Sparks said her actions reflect the district’s mission of supporting students beyond the classroom. “She’s one of those people that makes you want to be better,” he said. “She lives out what it means to serve

Elk City every day.”

### Teacher of the Year: Bridgette Shelton

At the classroom level, Bridgette Shelton, an English Language Arts teacher at Elk City High School, earned Teacher of the Year honors. Sparks said selecting the district winner becomes more difficult each year due to the quality of educators, but Shelton stood out for her innovative approach to literacy. Originally an elementary teacher, Shelton brought her passion for reading to the high school level. She developed a forensics-based English class that encourages students to read mystery and crime-related material, helping them engage with reading in a way that feels natural and enjoyable. “She found a way to get high school kids to read on their own,” Sparks said. “They’re building vocabulary and knowledge without even realizing it.” He emphasized that strong reading skills are foundational to long-term success, and Shelton’s approach helps prepare students for life beyond school.

### Celebrating Impact Beyond the Classroom

Sparks noted both honorees contribute far beyond their job titles, volunteering in various programs and supporting student activities throughout the year.

“They’re just amazing people and role models,” he said. “It was really exciting to honor both of them.”

## Clinton VFW Post Renamed in Honor of Medal of Honor Recipient Earl Plumlee

**April 23, 2026 • Clinton, OK** — A Clinton veterans organization has paid tribute to one of its own in a meaningful way.

The Veterans of Foreign Wars post in Clinton has officially been renamed the MSG Earl Plumlee Post 4465, honoring Medal of Honor recipient Master Sergeant Earl Plumlee during a recent renaming ceremony.

Community members, veterans, and supporters gathered for the event, which recognized Plumlee’s distinguished military service and extraordinary bravery. The

ceremony served as both a tribute and a reminder of the post’s continued mission to support veterans and active service members. Plumlee was born in 1980 in Clinton and raised on a farm in nearby Merritt. He began his military career in 1998 with the Oklahoma National Guard before enlisting in the United States Marine Corps in 2000. As a Force Reconnaissance Marine, he deployed to Iraq. In 2009, he transitioned to the U.S. Army, where he became a Special Forces soldier. His actions on August 28, 2013, in Afghanistan earned him the Sil-

ver Star, which was later upgraded to the Medal of Honor in 2021. Plumlee retired from active duty in 2023.

Organizers of the ceremony highlighted his courage, leadership, and dedication to fellow soldiers, noting that his story represents the highest standards of military service.

The newly renamed post, located at 1705 S US 183 in Clinton, remains active in the community and continues its focus on supporting veterans and their families.
