119 acre tract (MOL) Southwest of Dill City, OK. This prime Washita County property features 40 acres of fertile cultivated ground, 40 acres of established Ozark Bermuda grass, and 40 acres of native pasture. This farm offers the ultimate set up for farming, ranching, and country living, featuring highly productive soils, permanent barbed wire fencing, and premium building sites, and easy access to utilities. It is the perfect canvas to build your dream homestead with a prime elevated home site offering picturesque views of the surrounding rural landscape. CK Energy is available onsite and water well is scheduled to be drilled soon.

The location is 3 miles south of 152 and Rambo Dr. in Dill City and ½ mile west on the north side of the road.

More Hamburgers, More Headaches

by: Jerry Nine – Woodward, Okla.

The big news last week was Pres. Donald Trump announced a pause on ground beef tariffs Friday in an attempt to lower prices for consumers. Trump posted on social media that the U.S. will allow up to 300,000 metric tons of beef to be imported over 90 days without triggering higher tariff rates. He said there is a commitment from certain companies that it will be sold 25% below current market prices. 1.1 tons equals a metric ton. That is 660 million pounds of beef or a little more than one week's kill.

I know Pres. Trump has his hands full and has to win the midterms for Republicans, but I say let it be supply and demand. If beef is too high they can eat chicken, pork, fish, or roadkill. Roadkill would be good enough for a bunch of city slickers.

That added hamburger would be like adding a little over 12,000 cows each day. A drought can force a lot more hamburger on the market than that in one state. The talk of it will hurt it more than the actuality of it. If you think beef is higher than a lot of other things you better refigure. If most people would quit bouncing into these quick stops and letting every kid pick out whatever they want they could eat T-bone steak anytime they wanted.

We had already slipped \$20 cut on fat cattle before any of this. There are a lot of cattlemen pick up cattle off grass trying to decide whether to sell them and take less per head than they gave for them. Or perhaps put them in the feed lot and

say a little prayer. Or keep at home and grow them bigger so they can make believe they got their money back.

Did you know that 92% of women do not like their husbands' female friends but 92% of men like their wives' female friends. Does that mean men are nicer?

I asked my mom if I was adopted. She laughed and said why would I choose you?

My wife got out of the shower walked into the bedroom naked and said close the curtains I don't want the neighbors to see me naked. I said don't worry if they look over here I'm sure they will close their curtains.

Editor's note: The views expressed here are the author's own and do not represent the view of The Penny News. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.

This is really deflating

We can help

LOOKING FOR THE RIGHT DOG Looking to adopt or rehome a large adult male dog with a calm, easygoing temperament. Must be house-trained, low to moderate energy, good with other dogs, and gentle with a senior female dog. Looking for a dog that enjoys relaxing in the house and being a couch companion, but will also alert to visitors and provide a protective presence around the home. Breed is flexible. Rottweiler, Great Dane, Shepherd, Lab, Pyrenees or mixes considered. Temperament matters more than breed. Prefer an adult dog that is already past the puppy stage. No high-energy puppies. Burns Flat / Elk City area. Call or text: 580-660-6190. 4/38

Elk City Police Receive \$5,000 Grant for Thermal Imaging Equipment

August 21, 2026 - Elk City, OK – The Elk City Police Department has received a \$5,000 grant from Marathon Petroleum to purchase new equipment aimed at improving public safety.

The department recently applied for the grant through Marathon Petroleum and announced the award this week. The funding will be used to

purchase two thermal monocular devices for officers.

The devices will give officers another tool when working in low-light and nighttime conditions. According to the department, the thermal monoculars can assist officers in locating and recovering missing persons as well as finding and apprehending suspects in dark conditions.

The Elk City Police Department thanked Marathon Petroleum for its continued support of local public safety efforts and the Elk City community.

The department said the investment will help provide officers with additional equipment to better serve and protect area residents

SWOSU Welcomes 15 Students to President's Leadership Class XXI

August 21, 2026 - Weatherford, OK – Southwestern Oklahoma State University (SWOSU) has announced the 21st class of its President's Leadership Class (PLC), a selective four-semester program for students with strong leadership potential. Fifteen students, including 13 high school seniors and two transfer students, have been selected for the 2026-27 academic year.

The incoming freshman members of PLC Class XXI are: Bayleigh Benjamin, Madison (Kansas) High School; Hayden Brink, Bethany High School; Erick Do, Moore High School; Dasia Givens, Weatherford High School; Owen Lavigne, Weatherford High School; Baily Lawellin, Mooreland High School; Tyler Roberts, Verden High School; Braylie Schmidt, Weatherford High School; Caleb Schultz, Kremlin-Hillsdale High School; Jackson Smith, Weatherford High School; Noah Wald, Weatherford High School; Annabelle Webber, Southwest Covenant High School; and Ruby Wright, Weatherford High School

Each freshman PLC member receives a \$1,000 scholarship during each of their first two years at SWOSU and a room scholarship for the first year. Members also enroll in a leadership course developed specifically for PLC students. Following their second year in the program, students participate in a university-sponsored trip to Washington, D.C.

SWOSU has also selected two transfer students for PLC Class XXI. Cody Bowland of Frederick will transfer from Western Oklahoma State Col-

lege, and Kailey Rich of Prague will transfer from Northern Oklahoma College.

Transfer PLC members receive a \$1,000 scholarship during each of their two years in the program and participate in select PLC programming. They also participate in the university-sponsored trip to Washington, D.C., after completing their second year.

The President's Leadership Class provides four semesters of leadership development centered on the responsible application of leadership within organizations and communities. PLC members work on team projects, participate in community service and attend seminars featuring guest speakers. Students also contribute to campus activities, recruitment programs and alumni events. More information about the President's Leadership Class is available at <https://www.swosu.edu/presidents-leadership-class>

About Southwestern Oklahoma State University

Southwestern Oklahoma State University (SWOSU) was founded in 1901 and offers more than 100 undergraduate and graduate programs across three locations in Weatherford, Sayre, and Yukon. The university serves more than 5,000 students and prides itself on affordability, small class sizes, and over 200 faculty and staff committed to helping students achieve their academic and personal goals.

For more information about Southwestern Oklahoma State University, visit www.swosu.edu.

Notices

Oklahoma Parkinson's Alliance holds a monthly support group meeting on the second Thursday of each month, excluding December, at 5:30 p.m. at the Pioneer Center, 1000 Gartrell Place, Weatherford, Oklahoma. Patients, caregivers, family, or friends are welcome. For questions contact Oklahoma Parkinson's Alliance at (405) 810-0695 or info@oklahoma-pa.org 53/35

The Eakly Cornerstone Church has a free clothes closet on the 3rd Saturday of each month from 9:00 to noon. Everything is free. The church is located at 107 Church Street in Eakly. We also have a blessing box outside the church that stays stocked with food and daily essentials. The blessing box is open at all times. If anyone wants to donate to either, don't hesitate to get in touch with us. We hope to help people in our community who are in need. May God bless each of you in a special way. 53/38

WHITE DENTAL CARE

Drs. Mori & Teri White, DDS

Sedation Dentistry Calms Fears...

Take a ***pill*** and ***snooze*** through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

NORTHWEST OKLAHOMA LANDOWNERS
Do You Know What Your Land Is Worth in Today's Market?

FREE LAND EVALUATION

Land values can vary significantly base on:

- Soil Quality
- Grazing Capacity
- Mineral Activity
- Water Availability
- Hunting Potential
- Location & Access

Whether you're considering selling this year, planning for retirement, settling an estate, or simply curious about current market values, I can provide a confidential estimate based on recent land sales and current market conditions.

I'm providing complimentary, no-obligation land value assessments for property owners in Northwestern Oklahoma
